Citation 1 Item 1    Type of Violation: Regulatory

342(a): California Code of Regulations, Title 8, Section 342(a) - Reporting Work-Connected Fatalities and Serious Injuries

(a) Every employer shall report immediately by telephone or telegraph to the nearest District Office of the Division of Occupational Safety and Health any serious injury or illness, or death, of an employee occurring in a place of employment or in connection with any employment. Immediately means as soon as practically possible but not longer than 8 hours after the employer knows or with diligent inquiry would have known of the death or serious injury or illness. If the employer can demonstrate that exigent circumstances exist, the time frame for the report may be made no longer than 24 hours after the incident. Serious injury or illness is defined in section 330(h), Title 8, California Administrative Code.

Violation:

Employer failed to report immediately to the Division of Occupational Safety and Health a death and serious illness suffered by employees including, but not limited to, the following:

Instance 1. Employee who suffered a fatality for COVID-19 related illness on or about December 9, 2020.

Instance 2. Employee admitted to a hospital for a COVID-19 related illness on or about November 13, 2020 and on or about November 18, 2020.

Citation 2 Item 1  Type of Violation: Serious

California Code of Regulations, Title 8: Section §3205. COVID-19 Prevention.
(c) Written COVID-19 Prevention Program. Employers shall establish, implement, and maintain an
effective, written COVID-19 Prevention Program, which may be integrated into the employer's Injury
and Illness Program required by section 3203, or be maintained in a separate document. The written
elements of a COVID-19 Prevention Program shall include:

(6) Physical distancing.

(A) All employees shall be separated from other persons by at least six feet, except where an
employer can demonstrate that six feet of separation is not possible, and except for momentary
exposure while persons are in movement. Methods of physical distancing include: telework or other
remote work arrangements; reducing the number of persons in an area at one time, including visitors;
visual cues such as signs and floor markings to indicate where employees and others should be
located or their direction and path of travel; staggered arrival, departure, work, and break times;
and adjusted work processes or procedures, such as reducing production speed, to allow greater
distance between employees.

VIOLATION:

Prior to and during the course of the inspection, including, but not limited to, on December 9, 2020,
employer failed to ensure that employees were separated from other persons by at least six feet in
the Fleet Department. (3205(c)(6)(A))

Or in the alternative:

(8) Other engineering controls, administrative controls, and personal protective equipment.
(A) At fixed work locations where it is not possible to maintain the physical distancing requirement at
all times, the employer shall install cleanable solid partitions that effectively reduce aerosol
transmission between the employee and other persons.
VIOLATION:

Prior to and during the course of the inspection, including, but not limited to, on December 9, 2020, the employer failed to install cleanable solid partitions that effectively reduce aerosol transmission between the employee and other persons in the Fleet Department. (3205(c)(8)(A))

Date By Which Violation Must be Abated: Corrected During Inspection
Proposed Penalty: $18000.00
