T8 CCR §3203 (a) Injury and Illness Prevention Program.

(a) Effective July 1, 1991, every employer shall establish, implement and maintain an effective Injury and Illness Prevention Program (Program). The Program shall be in writing and, shall, at a minimum:

(4) Include procedures for identifying and evaluating workplace hazards including scheduled periodic inspections to identify unsafe conditions and work practices. Inspections shall be made to identify and evaluate hazards:
   (A) When the Program is first established;
   (B) Whenever new substances, processes, procedures, or equipment are introduced to the workplace that represent a new occupational safety and health hazard; and
   (C) Whenever the employer is made aware of a new or previously unrecognized hazard.

(6) Include methods and/or procedures for correcting unsafe or unhealthy conditions, work practices and work procedures in a timely manner based on the severity of the hazard:
   (A) When observed or discovered; and,
   (B) When an imminent hazard exists which cannot be immediately abated without endangering employee(s) and/or property, remove all exposed personnel from the area except those necessary to correct the existing condition. Employees necessary to correct the hazardous condition shall be provided the necessary safeguards.

Prior to and during the course of the inspection, including, but not limited to April 27, 2020, the employer failed to implement and maintain an effective Injury Illness Prevention Program (IIPP) in the following instances:

1. The employer failed to effectively identify or evaluate workplace hazards relating to individuals at the workplace without face coverings, releasing infectious or potentially infectious particles such as COVID-19, into the air when breathing, speaking, coughing, or sneezing, and not maintaining
physical distance. [3203(a)(4)]:

2. The employer failed to effectively implement procedures to correct unhealthy conditions created by individuals in the workplace releasing infectious or potentially infectious particles such as COVID-19, into the air when speaking, coughing, or sneezing, in that the employer did not require or ensure the use of the face coverings by individuals and maintaining physical distance in the workplace. [3203(a)(6)].
