To all interested parties:

This email is regarding our Section 3395, Heat Illness Prevention advisory meeting. We have scheduled an advisory meeting to discuss areas of proposed revisions to Section 3395 to improve worker protection. The meeting will be on Monday July 8, 2013 in Oakland at the State Building, 1515 Clay St, 2nd floor Room 1, starting at 10:00 am. The agenda for the meeting is attached and also posted on our website at <http://www.dir.ca.gov/dosh/DoshReg/HeatIllPrevent.html>

As outlined in the agenda, our advisory meeting will consider revisions to Section 3395 Heat Illness Prevention with regard to the definitions, provision of water, access to shade, high heat procedures, and training requirements.

For those unable to attend the advisory meeting and/or want to submit comments in advance of the meeting, please email Bob Nakamura ([BNakamura@dir.ca.gov](mailto:BNakamura@dir.ca.gov)) your comments and suggested changes to the proposal by July 1. You can also call Bob at 510-286-7000 if you have any questions or need further information about our heat illness prevention advisory meeting.

Thank you for your interest in this discussion.
