This section applies to any request for authorization of medical treatment, made submitted under Article 5.5.1 of this Subchapter, for an occupational injury or illness occurring prior to January 1, 2013 if the decision on the request is communicated to the requesting physician prior to July 1, 2013 where the request for authorization is made received prior to July 1, 2013.

(1) If the claims administrator disputes its liability for the requested medical treatment under this subdivision, it may, no later than five (5) business days from receipt of the request for authorization, issue a written decision deferring utilization review of the requested treatment, unless the requesting physician has been previously notified under this subdivision of a dispute over liability and an explanation for the deferral of utilization review for a specific course of treatment. The written decision must be sent to the requesting physician, the injured worker, and

if the injured worker is represented by counsel, the injured worker's attorney. The written decision shall only contain the following information specific to the request:

(b) The order shall be in writing and shall include all of the following:

(e) Any allegation and proposed penalty stated in the Order to Show Cause that is not contested shall be paid within thirty (30) calendar days after the date of service of the Order to Show Cause.

(f) Failure to timely file an answer shall constitute a waiver of the respondent's right to an evidentiary hearing. Unless set forth in the answer, all defenses to the Order to Show Cause shall be deemed waived. If the answer is not timely filed, within ten (10) days of the date for filing the answer, the respondent may file a written request for leave to file an answer. The respondent may also file a written request for leave to assert additional defenses, which the Administrative Director may grant upon a showing of good cause.

(g) The answer shall be in writing and signed by, or on behalf of, the claims administrator or utilization review organization and shall state the respondent's mailing address. It need not be verified or follow any particular form.

(1) The respondent must file the original and one copy of the answer on the Administrative Director and concurrently serve one copy of the answer on the investigating unit of the Division of Workers' Compensation (designated by the Administrative Director). The original and all copies of any filings required by this section shall have a proof of service attached.

(h) Within sixty (60) calendar days of the issuance of the Order to Show Cause Re: Assessment of Administrative Penalty, the Administrative Director shall issue the Notice of the date, time and place of a hearing. The date of the hearing shall be at least ninety calendar days from the date of service of the Notice. The Notice shall be served personally or by registered or certified mail. Continuances will not be allowed without a showing of good cause.

(i) At any time before the hearing, the Administrative Director may file or permit the filing of an amended complaint or supplemental Order to Show Cause. All parties shall be notified thereof. If the amended complaint or supplemental Order to Show Cause presents new charges, the Administrative Director shall afford the respondent a reasonable opportunity to prepare its defense, and the respondent shall be entitled to file an amended answer.

(j) At the Administrative Director's discretion, the Administrative Director may proceed with an informal pre-hearing conference with the respondent in an effort to resolve the contested matters. If any or all of the violations or proposed penalties in the Order to Show Cause, the amended Order or the supplemental Order remain contested, those contested matters shall proceed to an evidentiary hearing.

(k) Whenever the Administrative Director's Order to Show Cause has been contested, the Administrative Director may designate a hearing officer to preside over the hearing. The authority of the Administrative Director or the designated hearing officer shall include, but is not limited to: conducting a pre-hearing settlement conference; setting the date for an evidentiary hearing and any continuances; issuing subpoenas for the attendance of any person residing anywhere within the state as a witness or party at any pre-hearing conference and hearing; issuing subpoenas duces tecum for the production of documents and things at the hearing; presiding at the hearings; administering oaths or affirmations and certifying official acts; ruling on objections and motions; issuing pre-hearing orders; and preparing a Recommended Determination and Opinion based on the hearing.

(l) The Administrative Director or the designated hearing officer shall set the time and place for any pre-hearing conference on the contested matters in the Order to Show Cause, and shall give sixty (60) calendar days written notice to all parties.

(m) The pre-hearing conference may address one or more of the following matters:

(1) Exploration of settlement possibilities;

(2) Preparation of stipulations;

(3) Clarification of issues;

(4) Rulings on the identity of witnesses and limitation of the number of witnesses;

(5) Objections to proffers of evidence;

(6) Order of presentation of evidence and cross-examination;

(7) Rulings regarding issuance of subpoenas and protective orders;

(8) Schedules for the submission of written briefs and schedules for the commencement and conduct of the hearing;

(9) Any other matters as shall promote the orderly and prompt conduct of the hearing.

(n) The Administrative Director or the designated hearing officer shall issue a pre-hearing order incorporating the matters determined at the pre-hearing conference. The Administrative Director or the designated hearing officer may direct one or more of the parties to prepare the pre-hearing order.

(o) Not less than thirty (30) calendar days prior to the date of the evidentiary hearing, the respondent shall file and serve the original and one copy of a written statement with the Administrative Director or the designated hearing officer specifying the legal and factual bases for its answer and each defense, listing all witnesses the respondent intends to call to testify at the hearing, and appending copies of all documents and other evidence the respondent intends to introduce into evidence at the hearing. A copy of the written statement and its attachments shall also concurrently be served on the investigating unit of the Division of Workers' Compensation. If the written statement and supporting evidence are not timely filed and served, the Administrative Director or the designated hearing officer shall dismiss the answer and issue a written Determination based on the evidence provided by the investigating unit of the Division of Workers' Compensation. Within ten (10) calendar days of the date for filing the written statement and supporting evidence, the respondent may file a written request for leave to file a written statement and supporting evidence. The Administrative Director or the designated hearing officer may grant the request, upon a showing of good cause. If leave is granted, the written statement and supporting evidence must be filed and served no later than ten (10) calendar days prior to the date of the hearing.

(p) Oral testimony shall be taken only on oath or affirmation.

(q)(1) Each party shall have these rights: to call and examine witnesses, to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him or her to testify; and to rebut the evidence.

(2) In the absence of a contrary order by the Administrative Director or the designated hearing officer, the investigating unit of the Division of Workers' Compensation shall present evidence first.

(3) The hearing need not be conducted according to the technical rules relating to evidence and witnesses, except as hereinafter provided. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make the admission of the evidence improper over objection in civil actions.

(4) Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but upon timely objection shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. An objection is timely if made before submission of the case to the Administrative Director or to the designated hearing officer.

(r) The written affidavit or declaration of any witness may be offered and shall be received into evidence provided that (i) the witness was listed in the written statement pursuant to section 9792.15(n); (ii) the statement is made by affidavit or by declaration under penalty of perjury; (iii) copies of the statement have been delivered to all opposing parties at least twenty (20) days prior to the hearing; and (iv) no opposing party has, at least ten (10) days before the hearing, delivered to the proponent of the evidence a written demand that the witness be produced in person to testify at the hearing. The Administrative Director or the designated hearing officer shall disregard any portion of the statement received pursuant to this regulation that would be inadmissible if the witness were testifying in person, but the inclusion of inadmissible matter does not render the entire statement inadmissible. Upon timely demand for production of a witness in lieu of admission of an affidavit or declaration, the proponent of that witness shall ensure the witness appears at the scheduled hearing and the proffered declaration or affidavit from that witness shall not be admitted. If the Administrative Director or the designated hearing officer determines that good cause exists that prevents the witness from appearing at the hearing, the declaration may be introduced in evidence, but it shall be given only the same effect as other hearsay evidence.

(s) The Administrative Director or the designated hearing officer shall issue a written Determination and Order Assessing Penalty, if any, including a statement of the basis for the Determination and each penalty assessed, within sixty (60) days of the date the case was submitted for decision, which shall be served on all parties. This requirement is directory and not jurisdictional.

(t) The Administrative Director shall have sixty (60) calendar days to adopt or modify the Determination and Order Assessing Penalty issued by the Administrative Director or the designated hearing officer. In the event the recommended Determination and Order of the designated hearing officer is modified, the Administrative Director shall include a statement of the basis for the Determination and Order Assessing Penalty signed and served by the Administrative Director, or his or her designee. If the Administrative Director does not act within sixty (60) calendar days, then the recommended Determination and Order shall become the Determination and Order on the sixty-first calendar day.

(u) The Determination and Order Assessing Penalty shall be served on all parties personally or by registered or certified mail by the Administrative Director.

(v) The Determination and Order Assessing Penalty, if any, shall become final on the day it is served, unless the aggrieved party files a timely Petition Appealing the Determination of the Administrative Director. All findings and assessments in the Determination and Order Assessing Penalty not contested in the Petition Appealing the Determination of the Administrative Director shall become final as though no petition were filed.

(w) At any time prior to the date the Determination and Order Assessing Penalty becomes final, the Administrative Director or designated hearing officer may correct the Determination and Order Assessing Penalty for clerical, mathematical or procedural error(s).

(x) Penalties assessed in a Determination and Order Assessing Penalty shall be paid within thirty (30) calendar days of the date the Determination and Order became final. A timely filed Petition Appealing the Determination of the Administrative Director shall toll the period for paying the penalty assessed for the item appealed.

(y) All appeals from any part or the entire Determination and Order Assessing Penalty shall be made in the form of a Petition Appealing the Determination of the Administrative Director, in conformance with the requirements of chapter 7, part 4 of Division 4 of the Labor Code. Any such Petition Appealing the Determination of the Administrative Director shall be filed at the Appeals Board in San Francisco (and not with any district office of the Workers' Compensation Appeals Board), in the same manner specified for petitions for reconsideration.
