19 **PARTIES**

20 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official  
21 capacity as the Executive Director of the Medical Board of California, Department of Consumer  
22 Affairs (Board).

23 2. On July 1, 2010, the Medical Board issued Physician's and Surgeon's Certificate  
24 Number C54213 to Nicole Jean Craven, M.D. (Respondent). The certificate expired on July 31,  
25 2012, and has not been renewed.<sup>1</sup>

26 <sup>1</sup> The Board retains jurisdiction over expired licenses for five years following the date of  
27 expiration. Business and Professions Code section 118(b) extends the Board's jurisdiction during  
28 any period when the license "may be renewed, restored, reissued, or reinstated," and section 2427  
provides that an expired license may be renewed at any time within five years of its expiration.

JURISDICTION

1  
2 3. This Accusation is brought before the Board under the authority of the following  
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4 4. Section 2004 provides that the Board shall have the responsibility for the enforcement  
5 of the disciplinary and criminal provisions of the Medical Practice Act.

6 5. Section 2227 provides that a licensee who is found guilty under the Medical Practice  
7 Act may have his or her license revoked, suspended for a period not to exceed one year, placed on  
8 probation and required to pay the costs of probation monitoring, or such other action taken in  
9 relation to discipline as the Board deems proper.

10 6. Section 2234 states:

11 The board shall take action against any licensee who is charged with unprofessional  
12 conduct. In addition to other provisions of this article, unprofessional conduct  
includes, but is not limited to, the following:

13 (a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the  
14 violation of, or conspiring to violate any provision of this chapter.

15 .....

16 7. Section 141 states:

17 (a) For any licensee holding a license issued by a board under the jurisdiction of the  
18 department, a disciplinary action taken by another state, by any agency of the federal  
19 government, or by another country for any act substantially related to the practice  
20 regulated by the California license, may be a ground for disciplinary action by the  
21 respective state licensing board. A certified copy of the record of the disciplinary  
action taken against the licensee by another state, an agency of the federal  
government, or another country shall be conclusive evidence of the events related  
therein.

22 (b) Nothing in this section shall preclude a board from applying a specific statutory  
23 provision in the licensing act administered by that board that provides for discipline  
24 based upon a disciplinary action taken against the licensee by another state, an agency  
of the federal government, or another country.

24 8. Section 2305 states:

25 The revocation, suspension, or other discipline, restriction or limitation imposed by  
26 another state upon a license or certificate to practice medicine issued by that state, or  
27 the revocation, suspension, or restriction of the authority to practice medicine by any  
28 agency of the federal government, that would have been grounds for discipline in  
California of a licensee under this chapter [Chapter 5, the Medical Practice Act] shall  
constitute grounds for disciplinary action for unprofessional conduct against the  
licensee in this state.

1 CAUSE FOR DISCIPLINE

2 (Discipline, Restriction or Limitation Imposed by another State)

3 9. On September 14, 2016, the State Surgeon General of Florida entered an Order of  
4 Emergency Restriction of License (Florida Order), restricting Respondent's license to practice  
5 medicine in Florida. The Florida Order sets forth various Findings of Fact, summarized as  
6 follows:

- 7
- 8 • Respondent wrote her patients prescriptions for clonazepam, a benzodiazepine and  
9 Schedule IV depressant under the United States Controlled Substances Act, without  
10 her patients' knowledge or consent. Respondent then obtained the clonazepam  
11 herself. Law enforcement agents obtained pharmacy surveillance video of  
12 Respondent purchasing clonazepam that she had prescribed for use by patients on  
13 the following dates: March 12, 2016, April 21, 2016, and May 20, 2016.
  - 14 • Respondent wrote additional clonazepam prescriptions for patients, without the  
15 patients' knowledge or consent, on June 7, 2015, October 10, 2015, October 20,  
16 2015, March 12, 2016, and March 23, 2016.
  - 17 • Respondent "showed poor judgment, poor moral character, a disregard for the  
18 protection of sensitive patient information, and an unwillingness to adhere to  
19 controlled substance prescription requirements by fraudulently using patient  
20 information to illegally obtain clonazepam. As a result, Dr. Craven's continued  
21 unrestricted practice of medicine presents an immediate serious danger to the health,  
22 welfare, and safety of the public."

23 10. As a result of her misconduct in violation of various Florida laws and the danger it  
24 presents to the health, welfare, and safety of the public, the Florida Order prohibits Respondent  
25 from prescribing or ordering Schedule I through IV controlled substances. The Florida Order is  
26 attached as **Exhibit A** and incorporated herein.

27 11. Respondent's conduct and the action of the State Surgeon General of Florida as set  
28 forth above constitute unprofessional conduct within the meaning of section 2305 and conduct  
subject to discipline within the meaning of section 141(a).

In Re: The Emergency Restriction of the License of  
Nicole J. Craven, M.D.  
License Number ME 107759  
Case Number 2016-19147

ORDER OF EMERGENCY RESTRICTION OF LICENSE

Celeste Phillip, M.D., M.P.H., State Surgeon General, ORDERS the emergency restriction of the license of Nicole J. Craven, M.D., (Dr. Craven) to practice medicine in the State of Florida. Dr. Craven holds license number ME 107759. Her address of record is 151 North Orlando Avenue #260, Winter Park, Florida 32789. The following Findings of Fact and Conclusions of Law support the emergency restriction of Dr. Craven's license to practice medicine in the State of Florida.

FINDINGS OF FACT

1. The Department of Health (Department) is the state agency charged with regulating the practice of medicine pursuant to Chapters 20, 456, and 458, Florida Statutes (2016). Section 456.073(8), Florida Statutes (2016), authorizes the State Surgeon General to summarily restrict Dr. Craven's license to practice medicine in the State of Florida in accordance with Section 120.60(6), Florida Statutes (2016).

2. At all times material to this Order, Dr. Craven was licensed to

License Number ME 107759  
Case Number 2016-19147

practice medicine in the State of Florida pursuant to Chapter 458, Florida Statutes, and was employed at Cannizzaro Integrative Pediatric Center in Longwood, Florida.

3. On or about June 9, 2016, Dr. Craven called in a prescription to the Publix Pharmacy located at 440 North Orlando Avenue, Winter Park, Florida (Publix Pharmacy), for clonazepam 1mg tablets for Patient M.O., a 32-year-old woman. Dr. Craven told Publix Pharmacy that a friend could pick up the prescription for Patient M.O.

4. Clonazepam is commonly prescribed to treat anxiety. According to Section 893.03(4), Florida Statutes (2015-2016), clonazepam is a Schedule IV controlled substance that has a low potential for abuse relative to the substances in Schedule III and has a currently accepted medical use in treatment in the United States. Abuse of clonazepam may lead to limited physical or psychological dependence relative to the substances in Schedule III.

5. The pharmacist for Publix Pharmacy reviewed the purported prescription and discovered that Patient M.O. recently filled a similar prescription at Walgreens. Based on the recent prescription and the message authorizing pick up by a third party, the pharmacist determined she would not fill the purported prescription.

6. The pharmacist called Patient M.O. to notify her that the prescription would not be filled. Patient M.O. told the Pharmacist that she did not have a prescription for clonazepam.

7. The pharmacist then told Patient M.O. that Publix Pharmacy records indicated that Patient M.O. had previously filled clonazepam prescriptions at Publix Pharmacy in April and May of 2016. Patient M.O. denied receiving or filling any clonazepam prescriptions at Publix Pharmacy.

8. Patient M.O. reported the apparent fraudulent use of her personal information to law enforcement.

9. Law enforcement agents retrieved surveillance video from Publix Pharmacy in order to determine who purchased the fraudulently prescribed clonazepam.

10. Surveillance footage from March 12, 2016, at approximately 2:48 p.m., showed Dr. Craven purchasing clonazepam at Publix Pharmacy pursuant to a prescription authored by Dr. Craven.

11. Surveillance footage from April 21, 2016, at approximately 5:32 p.m., showed Dr. Craven purchasing clonazepam at Publix Pharmacy pursuant to a prescription authored by Dr. Craven.

12. Surveillance footage from May 20, 2016, at approximately 2:17

p.m., showed Dr. Craven purchasing clonazepam at Publix Pharmacy pursuant to a prescription authored by Dr. Craven.

13. Law enforcement agents also retrieved five original prescriptions for clonazepam written or called in by Dr. Craven that were on file at Publix Pharmacy.

14. On or about October 10, 2015, Dr. Craven wrote a prescription for 60 clonazepam 1mg tablets for Patient M.O. The prescription called for three refills. Publix Pharmacy filled the initial prescription the same day.

15. On or about March 12, 2016, Dr. Craven called in a prescription for 90 clonazepam 1mg tablets for Patient M.O. The prescription called for three refills. Publix Pharmacy filled initial the prescription the same day.

16. Dr. Craven wrote and filled these prescriptions without Patient M.O.'s knowledge or consent.

17. On or about June 7, 2015, Dr. Craven wrote a prescription for 60 clonazepam 1mg tablets for Patient A.K., a 47-year-old woman. The prescription called for three refills. Publix Pharmacy filled the initial prescription on June 10, 2015.

18. On October 20, 2015, Dr. Craven faxed a prescription for 60 clonazepam 1mg tablets for Patient A.K. to Publix Pharmacy. The prescription

called for three refills. Publix Pharmacy filled the initial prescription the same day.

19. On or about March 23, 2016, Dr. Craven called in a prescription for 90 clonazepam 1mg tablets for Patient A.K. The prescription called for three refills. Publix Pharmacy filled the initial prescription the same day.

20. Dr. Craven wrote and filled these prescriptions without Patient A.K.'s knowledge or consent.

21. In the course of their practice, it is necessary for physicians to collect and retain sensitive personal information about their patients. In order to receive treatment, patients must rely on physicians to protect their private information. Because of the high level of public trust inherent in the practice of medicine, physicians must possess good judgment and high moral character, and they must diligently protect the sensitive personal information of patients in their care.

22. Physicians also play an integral role in safeguarding the community from the distribution of unprescribed and unregulated controlled substances. Physicians are well aware that these powerful, potentially dangerous substances should not be prescribed, distributed, or used outside the strict confines of medical necessity as determined through an appropriate physician-patient

In Re: The Emergency Restriction of the License Of

relationship. In order to fulfill their obligations as prescribers, physicians must possess good judgment, high moral character, and a willingness to strictly adhere to the legal and ethical requirements of prescribing controlled substances.

23. Dr. Craven showed poor judgment, poor moral character, a disregard for the protection of sensitive patient information, and an unwillingness to adhere to controlled substance prescription requirements by fraudulently using patient information to illegally obtain clonazepam. As a result, Dr. Craven's continued unrestricted practice of medicine presents an immediate serious danger to the health, welfare, and safety of the public. Because Dr. Craven, as a practicing physician, has access to patient information and the authority to prescribe controlled substances, and has demonstrated a willingness to misuse that information over a period of at least one year, the danger to the public is likely to continue without the restriction of Dr. Craven's license.

#### CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the State Surgeon General concludes as follows:

1. The State Surgeon General has jurisdiction over this matter pursuant to Sections 20.43 and 456.073(8), Florida Statutes (2016), and Chapter 458, Florida Statutes (2016).

2. Section 456.072(1)(m), Florida Statutes (2015-2016), subjects a licensee to discipline, including restriction, for making deceptive, untrue, or fraudulent representations in or related to the practice of a profession or employing a trick or scheme in or related to the practice of a profession.

3. Dr. Craven violated Section 456.072(1)(m), Florida Statutes (2015-2016), by writing fraudulent prescriptions using sensitive patient information to obtain controlled substances.

4. Section 458.331(1)(q), Florida Statutes (2015-2016), subjects a licensee to discipline, including restriction, for prescribing, dispensing, or administering any controlled substance other than in the course of the physician's professional practice.

5. Dr. Craven violated Section 458.331(1)(q), Florida Statutes (2015-2016), by writing fraudulent prescriptions for controlled substances that were not intended for use by a patient and not the product of a valid physician-patient relationship.

In Re: The Emergency Restriction of the License Of  
Nicole J. Craven, M.D.  
License Number ME 107759  
Case Number 2016-19147

6. Section 120.60(6), Florida Statutes (2016), authorizes the Department to restrict a physician's license if the Department finds that the physician presents an immediate, serious danger to the public health, safety, or welfare.

7. Dr. Craven's continued unrestricted practice of medicine constitutes an immediate serious danger to the health, safety, and welfare of the public, and this summary procedure is fair under the circumstances to adequately protect the public.

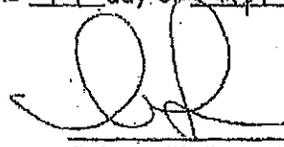

WHEREFORE, in accordance with Section 120.60(6), Florida Statutes (2016), it is **ORDERED THAT:**

1. The license of Nicole J. Craven, M.D., license number ME 107759, is hereby immediately restricted to prohibit her from prescribing or ordering Schedule I through IV controlled substances as defined in Section 893.03, Florida Statutes (2016).

2. A proceeding seeking formal discipline of the license of Nicole J. Craven, M.D., to practice medicine will be promptly instituted and acted upon in compliance with Sections 120.569 and 120.60(6), Florida Statutes (2016).
