18 The United States Attorney charges:

19 KEVIN T. DO, M.D.,

20 defendant herein, as follows:

21 I. INTRODUCTION

22 At all time material to this Information:

23 A. Defendant KEVIN T. DO, M.D., was a medical doctor
24 operating in Los Angeles and who was a Medi-Cal provider.

25 B. The Medi-Cal Program was a federal and state funded
26 program which provided for the medical services for eligible
27 recipients - those who had a Medi-Cal card issued by the State of
28 California.

1 C. For a medical provider to participate in this program he
2 or she had to sign an agreement with the State of California to
3 receive a provider number. Upon being accepted in the program a
4 medical provider had to agree to submit to certain regulations
5 issued by the State of California. The Department of Health
6 Services, Medi-Cal Division, provided information to the
7 participating medical providers of the requirements of the program.

8 D. When a medical provider was accepted he or she received an
9 on-line number which allowed for electronic billing to the State of
10 California, Department of Health Services in Sacramento, California,
11 through its contractor Electronic Data Systems ("EDS"). The medical
12 provider or a biller hired by the medical provider could then input
13 the Medi-Cal beneficiary number, prescription code, and the date;
14 and the State Controller's Office in Sacramento, California, on a
15 weekly basis remitted a check to the provider for the amount and
16 type of prescriptions filled based on the computer tape claim
17 submitted by the pharmacy or DME to EDS.

18 E. The Medi-Cal Program received fifty percent of its funding
19 from the United States Department of Health and Human Services. The
20 California Department of Health Service acted as an agent for the
21 United States in the disbursement of the funds which the federal
22 government places in the Medi-Cal Program.

23 II. SCHEME TO DEFRAUD

24 Beginning on or about April 1997, and continuing through on or
25 about December 31, 1998, in the Eastern District of California, an
26 elsewhere, defendant KEVIN T. DO, M.D., together with others known
27 and unknown to the United States Attorney, executed and intended to
28 execute a scheme and artifice to defraud a health care benefit

1 program, which program affected interstate commerce, to wit:
2 defendant KEVIN T. DO, M.D. permitted a billing company to use
3 defendant DO'S Medi-Cal provider number to bill for services which
4 defendant DO did not provide and which were, in fact, not provided
5 by anyone. As a result of this scheme the Medi-Cal Program was
6 wrongfully defrauded out of approximately \$397,000.

7
8 II. WAYS AND MEANS

9 In furtherance of the scheme and artifice set forth above
10 defendant KEVIN T. DO, M.D. employed, among other, the following
11 ways and means:

12 1. During the period sometime around April 1997, defendant
13 DR. DO reached an agreement with a billing service, whereby
14 defendant DR. DO agreed to allow the billing service to use his
15 Medi-Cal provider number to submit claims for services that he did
16 not perform.

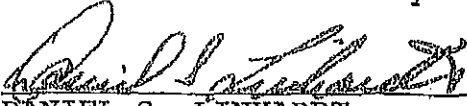

17 2. Beginning in or about June 1998, defendant DR. DO, was
18 informed by the billing company that they would be using his
19 provider number to submit claims to Medi-Cal for physical therapy
20 services that he would not render. Defendant DR. DO established a
21 joint bank account into which the Medi-Cal checks were deposited.
22 Defendant DR. DO then provided 80% of these funds to the billing
23 company

24 3. Pursuant to the agreement, the said billing company
25 submitted claims using defendant DR. DO'S Medi-Cal provider number
26 so that it appeared that defendant DR. DO provided the services,
27 when, in fact, the services were completely fictional, as a result
28 of the aforementioned scheme, Medi-Cal was defrauded out of
\$397,000.

1 All in violation of Title 18, United States Code, Sections 1347
2 and 2.
