Case No. 800-2015-019351

STIPULATED SURRENDER OF LICENSE AND ORDER

IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-entitled proceedings that the following matters are true:

PARTIES

1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board of California (Board). She brought this action solely in her official capacity and is represented in this matter by Xavier Becerra, Attorney General of the State of California, by Carolyne Evans, Deputy Attorney General.

2. Julie Ann Farrell, M.D. (Respondent) is representing herself in this proceeding and has chosen not to exercise her right to be represented by counsel.
3. On or about August 18, 2010, the Board issued Physician's and Surgeon's Certificate No. G88765 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2015-019351 and will expire on May 31, 2018, unless renewed.

JURISDICTION

4. Accusation No. 800-2015-019351 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on September 20, 2016. Respondent timely filed her Notice of Defense contesting the Accusation. A copy of Accusation No. 800-2015-019351 is attached as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, and understands the charges and allegations in Accusation No. 800-2015-019351. Respondent also has carefully read, and understands the effects of this Stipulated Surrender of License and Order.

6. Respondent is fully aware of her legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at her own expense; the right to confront and cross-examine the witnesses against her; the right to present evidence and to testify on her own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

8. Respondent understands that the charges and allegations in Accusation No. 800-2015-019351, if proven at a hearing, constitute cause for imposing discipline upon her Physician's and Surgeon's Certificate.
9. For the purpose of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual basis for the charges in the Accusation and that those charges constitute cause for discipline. Respondent hereby gives up her right to contest that cause for discipline exists based on those charges.

10. Respondent understands that by signing this stipulation she enables the Board to issue an order accepting the surrender of her Physician's and Surgeon's Certificate without further process.

**CONTINGENCY**

11. This stipulation shall be subject to approval by the Board. Respondent understands and agrees that counsel for Complainant and the staff of the Board may communicate directly with the Board regarding this stipulation and surrender, without notice to or participation by Respondent. By signing the stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

12. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Surrender of License and Order, including Portable Document Format (PDF) and facsimile signatures thereto, shall have the same force and effect as the originals.

13. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Order:

**ORDER**

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G88765, issued to Respondent Julie Ann Farrell, M.D., is surrendered and accepted by the Medical Board of California.
1. The surrender of Respondent's Physician's and Surgeon's Certificate and the acceptance of the surrendered license by the Board shall constitute the imposition of discipline against Respondent. This stipulation constitutes a record of the discipline and shall become a part of Respondent's license history with the Medical Board of California.

2. Respondent shall lose all rights and privileges as a physician and surgeon in California as of the effective date of the Board's Decision and Order.

3. Respondent shall cause to be delivered to the Board her pocket license and, if one was issued, her wall certificate on or before the effective date of the Decision and Order.

4. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2015-019351 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

ACCEPTANCE

I have carefully read the Stipulated Surrender of License and Order. I understand the stipulation and the effect it will have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Surrender of License and Order voluntarily, knowingly, and intelligently, and agree to be bound by the Decision and Order of the Medical Board of California.

Accusation No. 800-2015-019351
1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs (Board).

2. On or about August 18, 2010, the Board issued Physician's and Surgeon's Certificate Number G88765 to Julie Ann Farrell, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought herein and will expire on May 31, 2018, unless renewed.
3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2305 of the Code states:

"The revocation, suspension, or other discipline, restriction or limitation imposed by another state upon a license or certificate to practice medicine issued by that state, or the revocation, suspension, or restriction of the authority to practice medicine by any agency of the federal government, that would have been grounds for discipline in California of a licensee under this chapter [Chapter 5, the Medical Practice Act] shall constitute grounds for disciplinary action for unprofessional conduct against the licensee in this state."

6. Section 141 of the Code states:

"(a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

"(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a disciplinary action taken against the licensee by another state, an agency of the federal government, or another country."
PRIOR DISCIPLINARY ACTION

7. On or about September 15, 2014, the Board issued a Public Letter of Reprimand (Case No. 800-2014-005907) against Respondent. The Public Letter of Reprimand was based on Respondent’s failure to disclose in her application for medical licensure in West Virginia, that she had been denied a license in North Carolina. The Public Letter of Reprimand was based on a Consent Order issued by the West Virginia Board of Medicine, which constituted cause for discipline based on sections 141 and 2305 of the Code.

CAUSE FOR DISCIPLINE

(Discipline, Restriction, or Limitation Imposed by Another State)

8. On or about June 5, 2013, the North Carolina Medical Board denied Respondent’s application for licensure based on facts that Respondent submitted an application with numerous errors and omissions and allowed an administrative staff person to communicate with the North Carolina Medical Board, sign documents, and engage in email correspondence as though she was Respondent. On or about July 21, 2014, the Illinois Department of Financial and Professional Regulation (Illinois Department) issued a Consent Order (July 21, 2014 Consent Order) wherein Respondent was placed on an indefinite probation for a minimum of two (2) years with terms and conditions based on the denial of Respondent’s application for licensure by the North Carolina Medical Board.

On or about February 23, 2015, an Amendment to the July 21, 2014 Consent Order was issued wherein Respondent was given additional time to pay the fines that were ordered in the July 21, 2014 Consent Order. As part of Respondent’s terms and conditions, she was required to take and pass an ethics and boundaries examination. Thereafter, Respondent violated the terms and conditions of the July 21, 2014 Consent Order.

On or about November 17, 2015, the Illinois Department issued another Consent Order (November 17, 2015 Consent Order), whereby Respondent voluntarily relinquished her Illinois physician and surgeon license number 036.124840 due to her failure to comply with the July 21, 2014 Consent Order. Copies of the July 21, 2014 Consent Order, the February 23, 2015
Amendment, and the November 17, 2015 Consent Order issued by the Illinois Department are attached as Exhibit A.

9. Respondent's conduct and the actions of the Illinois Department as set forth in paragraph 8, above, constitute unprofessional conduct and cause for discipline pursuant to sections 2305 and/or 141 of the Code.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number G88765, issued to Julie Ann Farrell, M.D.;

2. Revoking, suspending or denying approval of Julie Ann Farrell, M.D.'s authority to supervise physician assistants, pursuant to section 3527 of the Code;

No. 2014-00274

AMENDMENT TO CONSENT ORDER

The Illinois Department of Financial and Professional Regulation, Division of Professional Regulation (the "Department") by and through Fred Moore, one of its attorneys, and Julie Anne Farrell, M.D., Respondent, entered into an agreed Consent Order effective on July 21, 2014. The Consent Order stipulated to the following:

STIPULATIONS

Julie Anne Farrell, M.D., ("Respondent") is registered as a Physician and Surgeon in the State of Illinois, holding License No. 036.124840. Said license is presently in not-renewed status. At all times material to the matters set forth in the Consent Order, the Department had jurisdiction over the subject matter and parties.

The Department received information that Respondent was denied a medical license by the North Carolina Medical Board. Based on North Carolina's action, the New Mexico Medical Board issued Respondent a Letter of Reprimand. The allegations as set forth, if proven to be true, would constitute grounds for the Department to revoke, suspend, or otherwise discipline Respondent's license to practice as a Physician and Surgeon in the State of Illinois, on the authority of 225 ILCS 60/22(A)(12).

As a result of the foregoing allegations, an informal conference was held at the Department’s Chicago office on May 7, 2014. The Department was represented by Fred Moore, one of its former...
attorneys, Richard Fay, D.C, was present on behalf of the Medical Disciplinary Board, and Respondent appeared in person. Respondent had been advised of the right to a hearing, the right to contest any charges brought, and the right to administrative review of any Order resulting from a hearing. Respondent and the Department had agreed, in order to resolve the matter, that Respondent be permitted to enter into a Consent Order with the Department, providing for the imposition of disciplinary measures which are fair and equitable under the circumstances and which are consistent with the best interests of the People of the State of Illinois. Respondent knowingly waived each of these rights, as well as the right to administrative review of the Consent Order. Respondent acknowledging that she had knowingly and voluntarily entered into the Consent Order without any threat or coercion by any person.

The Department and Respondent agreed to the following conditions: Respondent's Illinois Physician and Surgeon License, No. 036.124840, shall be placed on INDEFINITE PROBATION for a minimum period of two (2) years, Respondent shall be fined two-thousand and five-hundred dollars ($2,500.00) to be paid within one hundred and eighty (180) days from the effective date of the Consent Order, Respondent shall take and pass the Ethics and Boundaries Assessment Services, LLC's (“EBAS”) Ethics and Boundaries Examination within one (1) year of the effective date of the Consent Order, and Respondent shall notify the Department's Probation Compliance Unit in writing of any change in employment, home address and/or telephone number within ten (10) days of any such change.

On January 22, 2015, the Department received a request for an amendment to the Consent Order (the "Amendment"). The Respondent stated unexpected financial difficulties prevent her from complying with Condition B in the Consent Order, the fine payment. (See Exhibit 1, Conditions provision, paragraph B). Therefore, the Department, by and through one of its attorneys, Mark Thompson, and Julie Anne Farrell, M.D., Respondent, agree:

CONDITIONS

At all times material to the matters set forth in this Amendment, the Department has jurisdiction over the subject matter and parties herein.
The Respondent shall be fined two-thousand and five-hundred dollars ($2,500.00). One hundred dollars ($100.00) was remitted with the request for an amendment to the Consent Order. Said fine shall be paid in five (5) additional payments to be paid within thirty (30) days of the previous payment. The first payment of four-hundred and eighty dollars ($480.00) shall be paid thirty (30) days from the effective date of this Amendment. This Amendment shall become effective immediately upon signing and approval by the Director of the Division of Professional Regulation. The fine payment shall be paid by check or money order made payable to the Illinois Department of Financial and Professional Regulation. The memo section of the check or money order shall reference the Respondent's name, case number 2014-00274, and the license number 036.124840. Said fine payments shall be sent to:

Illinois Department of Financial & Professional Regulation  
Attention – CMU/Accounts Receivable – Fine Payments  
320 W. Washington Street, 3rd Floor  
Springfield, IL 62786

Respondent acknowledges and agrees that any violation of the conditions of this Amendment to the Consent Order permits the Director of the Division of Professional Regulation to issue an Order forthwith mandating the automatic, indefinite, and immediate suspension of Respondent's Physician and Surgeon's License, No. 036.124840, for a minimum period of twelve (12) months. This suspension shall not preclude the Department from taking any other disciplinary or other actions it deems appropriate. The Department may choose to refuse to renew any license or registration of the Respondent if the fine is not paid timely. The suspension or refusal to renew shall last until the Department has determined that the Respondent has come into compliance with the terms of this Amendment and the Consent Order.

Respondent knowingly and voluntarily waives pre-suspension notice and notice prior to the refusal to renew, as well as the renewal portion of 5 ILCS 100/10-65(b), (d) and (e), and any and all rights to a hearing on the suspension or refusal to renew. The suspension and refusal to renew are remedies in addition to any other collection action or disciplinary proceeding. If any license and/or registration is suspended or refused renewal, Respondent may file a petition for restoration with
proof that she has rectified the deficiency and is in compliance with the terms of this Amendment and the Consent Order.
