**DEFAULT DECISION  
AND ORDER**

[Gov. Code, §11520]

17  
18  
19 **FINDINGS OF FACT**

20 1. On or about April 12, 2017, Complainant Kimberly Kirchmeyer, in her official  
21 capacity as the Executive Director of the Medical Board of California, Department of Consumer  
22 Affairs, filed Petition to Revoke Probation No. 800-2017-030322 against Jeremy LR Goodwin,  
23 M.D. (Respondent) before the Medical Board of California.

24 2. On or about April 19, 1993, the Medical Board of California (Board) issued  
25 Physician's and Surgeon's Certificate No. G 76323 to Respondent. The Physician's and  
26 Surgeon's Certificate expired on February 28, 2015, and has not been renewed. See Declaration  
27 of Christina Valencia.

28 ///

1 violation of probation report, there is documentation to support the fact that respondent is in  
2 violation of the following conditions: condition 10, (requiring submittal of quarterly reports),  
3 which respondent has not complied with since August of 2015; condition 11, (general probation  
4 requirements), in that respondent has failed to notify the Board of his move to Oregon, and has  
5 allowed his license to become delinquent; and condition 13 (non-practice while on probation), in  
6 that respondent has failed to notify the board of his non-practice in California for over two years.

7 9. On or about February 27, 2015, respondent was sent an e-mail from Catherine Hayes, a  
8 probation manager, who explained that respondent can surrender his license now and probation  
9 will end or let probation toll while he lives out of state, but that after two years of non-practice in  
10 California, he will be in violation of probation and could have his license revoked. See  
11 Declaration of Christina Valencia.

12 10. On or about August 10, 2015, Ms. Valencia wrote to respondent to let him know she  
13 was his assigned probation monitor and to notify him that time spent out of state would not count  
14 to reduction of the probationary period. She also included a supply of semi-annual declarations  
15 for respondent to fill out. See Declaration of Christina Valencia.

16 11. On or about June 17, 2016, Ms. Valencia sent a letter to respondent informing him that  
17 Condition 11 of his decision, required him to notify the Medical Board of California of any  
18 changes to his residence or business. She again attached blank semi-annual declarations for  
19 respondent to fill out. She also stated in the letter that since his license had expired and his non-  
20 renewal was a violation of probation. Respondent was sent a Request for Surrender of License  
21 While On Probation form. See Declaration of Christina Valencia.

22 12. In December of 2016, while reviewing respondent's file, Ms. Valencia came across  
23 respondent's signed Agreement for Surrender of License document received on March 24, 2015.  
24 This surrender was not processed due to the fact that respondent had altered the document. See  
25 Declaration of Christina Valencia.

26 13. On December 14, 2016, Ms. Valencia wrote a letter to respondent at the Jacksonville,  
27 Oregon address, stating that his last Agreement for Surrender of License document was not  
28 processed due to the fact that he had handwritten comments on the document. Respondent was

1 sent another Agreement for Surrender of License Document to sign if he still wished to move  
2 forward with the surrender. Ms. Valencia informed respondent that if he did not surrender his  
3 license, he must bring his California license back to current/active status within the next 30 days  
4 and that failure to renew the license is a violation. Ms. Valencia also reminded respondent that he  
5 must keep the Board informed of his current business and residence addresses and that failure to  
6 notify the Board of a change of address is also a violation. See Declaration of Christina Valencia.

7 14. On January 4, 2017, Ms. Valencia received a call from respondent stating he had  
8 received her letter and wanted to discuss his options. He stated that he is no longer sure if he  
9 wanted to surrender his license. Ms. Valencia told respondent that his only other option would be  
10 to bring his license back to current/active status, and to send in the semi-annual declarations that  
11 she requested. To date, Ms. Valencia have still not received the signed Agreement for Surrender  
12 of License or any semi-annual declaration forms. See Declaration of Christina Valencia.

13 15. Business and Professions Code section 118 states, in pertinent part:

14 “(b) The suspension, expiration, or forfeiture by operation of law of a license issued by a  
15 board in the department, or its suspension, forfeiture, or cancellation by order of the board or by  
16 order of a court of law, or its surrender without the written consent of the board, shall not, during  
17 any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its  
18 authority to institute or continue a disciplinary proceeding against the licensee upon any ground  
19 provided by law or to enter an order suspending or revoking the license or otherwise taking  
20 disciplinary action against the license on any such ground.”

21 16. Government Code section 11506 states, in pertinent part:

22 “(c) The respondent shall be entitled to a hearing on the merits if the respondent files a  
23 notice of defense, and the notice shall be deemed a specific denial of all parts of the accusation  
24 not expressly admitted. Failure to file a notice of defense shall constitute a waiver of  
25 respondent’s right to a hearing, but the agency in its discretion may nevertheless grant a hearing.”

26 17. Respondent failed to file a Notice of Defense within 15 days after service upon him  
27 of the Petition to Revoke Probation, and therefore waived his right to a hearing on the merits of  
28 Petition to Revoke Probation No. 800-2017-030322.

1 18. California Government Code section 11520 states, in pertinent part:

2 “(a) If the respondent either fails to file a notice of defense or to appear at the hearing, the  
3 agency may take action based upon the respondent’s express admissions or upon other evidence  
4 and affidavits may be used as evidence without any notice to respondent.”

5 19. Pursuant to its authority under Government Code section 11520, the Board finds  
6 Respondent is in default. The Board will take action without further hearing and, based on  
7 Respondent’s express admissions by way of default and the evidence before it, (contained in  
8 separately filed Evidence Package in support of default as Exhibits A, B, C, 1, 2 and 3), finds that  
9 the allegations in Petition to Revoke Probation No. 800-2017-030322 are true.

10 DETERMINATION OF ISSUES

11 1. Based on the foregoing findings of fact, Respondent Jeremy LR Goodwin, M.D., has  
12 subjected his Physician’s and Surgeon’s Certificate No. G 76323 to discipline.

13 2. A copy of the Petition to Revoke Probation and the related documents and  
14 Declaration of Service have been filed in a separately filed Evidence Package in support of  
15 default.

16 3. The agency has jurisdiction to adjudicate this case by default.

17 4. The Medical Board of California is authorized to revoke Respondent’s Physician’s  
18 and Surgeon’s Certificate No. G 76323 based upon the following violations alleged in the Petition  
19 to Revoke Probation:

20 a. At all times after the effective date of Respondent’s probation respondent has  
21 failed to submit quarterly reports, he has failed to practice in California, and has let his California  
22 license fall into delinquent status, each of which is a violation of his probation and a basis for  
23 disciplinary action under Business and Professions Code section 2227.

25 Respondent's expense during the term of probation.

26 5. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the  
27 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice  
28 where: 1) Respondent merely shares office space with another physician but is not affiliated for

1 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that  
2 location.

3 If Respondent fails to establish a practice with another physician or secure employment in  
4 an appropriate practice setting within 60 calendar days of the effective date of this Decision,  
5 Respondent shall receive a notification from the Board or its designee to cease the practice of  
6 medicine within three (3) calendar days after being so notified. The Respondent shall not resume  
7 practice until an appropriate practice setting is established.

8 If, during the course of the probation, the Respondent's practice setting changes and the  
9 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent  
10 shall notify the Board or its designee within 5 calendar days of the practice setting change. If  
11 Respondent fails to establish a practice with another physician or secure employment in an  
12 appropriate practice setting within 60 calendar days of the practice setting change, Respondent  
13 shall receive a notification from the Board or its designee to cease the practice of medicine within  
14 three (3) calendar days after being so notified. The Respondent shall not resume practice until an  
15 appropriate practice setting is established.

16 6. PROHIBITED PRACTICE. During probation, Respondent is prohibited from using  
17 medical assistants to refill infusion pumps with prescription pain medication. After the effective  
18 date of this Decision, all patients being treated by the Respondent shall be notified that the  
19 Respondent is prohibited from using medical assistants to refill infusion pumps with prescription  
20 pain medication. Any new patients must be provided this notification at the time of their initial  
21 appointment.

22 Respondent shall maintain a log of all patients to whom the required oral notification was  
23 made. The log shall contain the: 1) patient's name, address and phone number; patient's medical  
24 record number, if available; 3) the full name of the person making the notification; 4) the date the  
25 notification was made; and 5) a description of the notification given. Respondent shall keep this  
26 log in a separate file or ledger, in chronological order, shall make the log available for immediate  
27 inspection and copying on the premises at all times during business hours by the Board or its  
28 designee, and shall retain the log for the entire term of probation.

1           7.    NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
2 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
3 Chief Executive Officer at every hospital where privileges or membership are extended to  
4 Respondent, at any other facility where Respondent engages in the practice of medicine,  
5 including all physician and locum tenens registries or other similar agencies, and to the Chief  
6 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
7 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
8 calendar days.

9           This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

10          8.    SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent is  
11 prohibited from supervising physician assistants.

12          9.    OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
13 governing the practice of medicine in California and remain in full compliance with any court  
14 ordered criminal probation, payments, and other orders.

15          10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
16 under penalty of perjury on forms provided by the Board, stating whether there has been  
17 compliance with all the conditions of probation.

18          Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
19 of the preceding quarter.

20          11. GENERAL PROBATION REQUIREMENTS.

21               Compliance with Probation Unit

22          Respondent shall comply with the Board's probation unit and all terms and conditions of  
23 this Decision.

24               Address Changes

25          Respondent shall, at all times, keep the Board informed of Respondent's business and  
26 residence addresses, email address (if available), and telephone number. Changes of such  
27 addresses shall be immediately communicated in writing to the Board or its designee. Under no

28          ///

1 circumstances shall a post office box serve as an address of record, except as allowed by Business  
2 and Professions Code section 2021(b).

3 Place of Practice

4 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
5 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
6 facility.

7 License Renewal

8 Respondent shall maintain a current and renewed California physician's and surgeon's  
9 license.

10 Travel or Residence Outside California

11 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
12 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
13 (30) calendar days.

14 In the event Respondent should leave the State of California to reside or to practice  
15 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
16 departure and return.

17 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
18 available in person upon request for interviews either at Respondent's place of business or at the  
19 probation unit office, with or without prior notice throughout the term of probation.

20 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
21 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
22 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
23 defined as any period of time Respondent is not practicing medicine in California as defined in  
24 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month  
25 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All  
26 time spent in an intensive training program which has been approved by the Board or its designee  
27 shall not be considered non-practice. Practicing medicine in another state of the United States or  
28 Federal jurisdiction while on probation with the medical licensing authority of that state or

1 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall  
2 not be considered as a period of non-practice.

3 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
4 months, Respondent shall successfully complete a clinical training program that meets the criteria  
5 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and  
6 Disciplinary Guidelines" prior to resuming the practice of medicine.

7 Respondent's period of non-practice while on probation shall not exceed two (2) years.

8 Periods of non-practice will not apply to the reduction of the probationary term.

9 Periods of non-practice will relieve Respondent of the responsibility to comply with the  
10 probationary terms and conditions with the exception of this condition and the following terms  
11 and conditions of probation: Obey All Laws; and General Probation Requirements.

12 14. COMPLETION OF PROBATION. Respondent shall comply with all financial  
13 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
14 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
15 be fully restored.

16 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
17 of probation is a violation of probation. If Respondent violates probation in any respect, the  
18 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
19 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
20 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
21 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
22 the matter is final.

23 16. LICENSE SURRENDER. Following the effective date of this Decision, if  
24 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
25 the terms and conditions of probation, Respondent may request to surrender his or her license.  
26 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
27 determining whether or not to grant the request, or to take any other action deemed appropriate  
28 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent

1 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
2 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
3 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
4 application shall be treated as a petition for reinstatement of a revoked certificate.

5 19. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
6 with probation monitoring each and every year of probation, as designated by the Board, which  
7 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
8 California and delivered to the Board or its designee no later than January 31 of each calendar  
9 year.

17 Complainant alleges:

18 PARTIES

- 19 1. Linda K. Whitney (Complainant) brings this Accusation solely in her official capacity  
20 as the Executive Director of the Medical Board of California, Department of Consumer Affairs.  
21 2. On or about April 19, 1993, the Medical Board of California issued Physician's and  
22 Surgeon's Certificate Number G 76323 to Jeremy Goodwin, M.D. (Respondent). The Physician's  
23 and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought  
24 herein and will expire on February 28, 2015 unless renewed.

25 JURISDICTION

- 26 3. This Accusation is brought before the Medical Board of California (Board),  
27 Department of Consumer Affairs, under the authority of the following laws. All section  
28 references are to the Business and Professions Code unless otherwise indicated.

1 passenger, and needed help all the way home. B.L. could not be aroused when she arrived home  
2 and had to be carried to her bed. The next day she was found dead in her bed. The coroner's  
3 report found potential toxic levels of fentanyl and morphine blood concentrations in B.L.'s body.

4 13. Respondent's action of allowing his unlicensed medical assistants to routinely refill  
5 and program the Medtronic SynchroMed Infusion pump resulted in the medical assistant  
6 performing procedures beyond her scope and training with respect to patient B.L. and such  
7 conduct constitutes an extreme departure from the standard of care in violation of section 2234(b)  
8 of the Code.

### 9 SECOND CAUSE FOR DISCIPLINE

#### 10 (Gross Negligence)

11 14. Complainant realleges paragraphs 11-13 above and incorporates them by reference  
12 herein as though fully set forth.

13 15. Respondent is subject to disciplinary action under section 2234(b) in that he was  
14 grossly negligent in his treatment of patient B.L. in that he failed to review the infusion pump  
15 session data report from patient B.L.'s last pump refill constitutes an extreme departure from the  
16 standard of care.

### 17 THIRD CAUSE FOR DISCIPLINE

#### 18 (Repeated Acts of Negligence)

19 16. Complainant realleges paragraphs 11-13 and 15 above and incorporates them by  
20 reference herein as though fully set forth.

21 17. Respondent is subject to disciplinary action under section 2234(c) in that  
22 Respondent's action of allowing his unlicensed medical assistants to routinely refill and program  
23 the Medtronic SynchroMed Infusion pump resulted in the medical assistant performing  
24 procedures beyond her scope and training with respect to patient B.L. along with his failure to  
25 review the infusion pump session data report from patient B.L.'s last pump refill constitutes  
26 repeated negligent acts.

27 18. Respondent prescribed MS Contin to patient B.L. on November 16, 2009, but the  
28 respondent failed to record the number of refills authorized. In B.L.'s medical record, respondent

1 or his staff stated that B.L. rarely used morphine, yet high levels of morphine were found in the  
2 deceased patient's system. Respondent's failure to clearly document what oral medication he  
3 prescribed and what medication he authorized refills on for patient B.L., particularly the  
4 morphine sulfate constitutes a departure from the standard of care.

5 FOURTH CAUSE FOR DISCIPLINE

6 (Failure to Maintain Adequate and Accurate Medical Records)

7 19. Complainant realleges paragraphs 11-13, 15, 17-18 above and incorporates them by  
8 reference herein as though fully set forth.

9 20. Respondent is subject to disciplinary action under section 2266 in that he failed to  
10 record any authorized refills for the oral medication he prescribed to patient B.L., particularly the  
11 Valium, Ambien, MS Contin, and morphine and such failure constitutes a violation of the Code.

12 PRAYER

13 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
14 and that following the hearing, the Medical Board of California issue a decision:

15 1. Revoking or suspending Physician's and Surgeon's Certificate Number G 76323;  
16 issued to Jeremy Goodwin, M.D.;

17 2. Revoking, suspending or denying approval of Jeremy Goodwin, M.D.'s authority to  
18 supervise physician's assistants, pursuant to section 3527 of the Code;

19 3. Ordering Jeremy Goodwin, M.D. to pay the Medical Board of California, if placed on  
20 probation, the costs of probation monitoring;

21 4. Taking such other and further action as deemed necessary and proper.
