WRITTEN REQUEST FOR HEARING

Gentlepersons:

I have received the Notice of Provider Suspension – Workers' Compensation, dated December 5, 2018, from George Parisotto, Administrative Director, Division of Workers' Compensation.

As directed by the correspondence, I am requesting a hearing which will stay the suspension pending the outcome of the hearing.

ADDRESS:

My current mailing address is: 3475 Torrance Blvd. Suite F Torrance, CA 90503.

LEGAL & FACTUAL REASONS WHY L.C. 139.21 (A) (1) APPLIES:

I do not believe Labor Code section 139.21 (a) (1) accurately applies to my situation with regards to the plea I entered to the United States District Court for the Central District of California.

December 13, 2018

Page Two

Although I entered a plea, I am not yet convicted or sentenced, and may not be for several months to years, per the Assistant United States Attorney. While I am cooperating with all legal entities and will ultimately someday receive some type of sentence, I feel that I am already being punished by this suspension, which essentially precludes me from competing in the Open Labor Market. I have served the Workers' Compensation industry for 20 years, and have tried to put the welfare of my patients first. To suspend me from the Workers' Compensation industry also interrupts the continuity of care I am trying to provide my patients. My plea agreement indicates that: "These stipulated facts are not meant to indicate that the defendant provided any patients with substandard medical care or that any treatment he provided or prescribed was not medically necessary."

My California medical license remains intact at present and I have not yet been excluded from any federal healthcare programs. I believe this suspension is premature, and I would welcome the opportunity to further explain in person the circumstances that ultimately led to my plea agreement.

I respectfully request the Hearing to appeal the Suspension.
