RE: Request to commence special liens proceeding

To the acting Administrator Director:

Please accept this letter as a formal request for hearing as provided by you letter dated September 13, 2019.

It is my position that Labor Code 139.21(a)(1) does not apply to my legal situation. The specific acts of my case require a comprehensive review to ensure Due Process. In order to ensue a fair and just outcome where I can present evidence that will be favorable to my position. This evidence will show that plea agreement is very specific and does not implicate all my liens.

Thank you for your anticipated cooperation.

Sincerely,

Schlomo Schmucl
