**ADVICE AND WAIVERS**

6. Respondent has carefully read, fully discussed with counsel, and fully understands the charges and allegations in Accusation No. 800-2015-013063. Respondent also has carefully read, fully discussed with counsel, and fully understands the effects of this Stipulated Surrender of License and Disciplinary Order.

and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Having the benefit of counsel, Respondent hereby voluntarily, knowingly and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent does not contest that, at an administrative hearing, complainant could establish a prima facie case with respect to all of the charges and allegations in Accusation No. 800-2015-013063, a true and correct copy of which is attached hereto as Exhibit “A” and incorporated by reference as if fully set forth herein. Respondent further admits that he has thereby subjected his Physician’s and Surgeon’s Certificate No. G 51708 to disciplinary action and hereby surrenders his Physician’s and Surgeon’s Certificate No. G 51708 for the Board’s formal acceptance.

10. Respondent agrees that his Physician’s and Surgeon’s Certificate No. G 51708 is subject to discipline and he agrees to be bound by the Board’s imposition of discipline as set forth in the Disciplinary Order below.

11. Respondent further agrees that if he ever petitions for reinstatement of his Physician’s and Surgeon’s Certificate No. G 51708, or if an accusation or petition to revoke probation is ever filed against him before the Medical Board of California, all of the charges and allegations contained in Accusation No. 800-2015-013063 shall be deemed true, correct, and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California or elsewhere.

12. Respondent understands that, by signing this stipulation, he enables the Executive Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his Physician’s and Surgeon’s Certificate No. G 51708, without further notice to, or opportunity to be heard by, Respondent.
13. Business and Professions Code section 2224, subdivision (b), provides, in pertinent part, that the Medical Board "shall delegate to its executive director the authority to adopt a . . . stipulation for surrender of a license."

14. This Stipulated Surrender of License and Disciplinary Order shall be subject to approval of the Executive Director on behalf of the Medical Board. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Director for her consideration in the above-entitled matter and, further, that the Executive Director shall have a reasonable period of time in which to consider and act on this Stipulated Surrender of License and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

15. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Executive Director on behalf of the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and agrees that in deciding whether or not to approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive Director and/or the Board may receive oral and written communications from its staff and/or the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the Executive Director, the Board, any member thereof, and/or any other person from future participation in this or any other matter affecting or involving Respondent. In the event that the Executive Director on behalf of the Board does not, in her discretion, approve and adopt this Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party hereto. Respondent further agrees that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason by the Executive Director on behalf of the Board, Respondent will assert no claim that the
Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or of any matter or matters related hereto.

ADDITIONAL PROVISIONS

16. This Stipulated Surrender of License and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the agreements of the parties in the above-entitled matter.

17. The parties agree that copies of this Stipulated Surrender of License and Disciplinary Order, including copies of the signatures of the parties, may be used in lieu of original documents and signatures and, further, that such copies shall have the same force and effect as originals.

18. In consideration of the foregoing admissions and stipulations, the parties agree the Executive Director of the Medical Board may, without further notice to or opportunity to be heard by Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

3. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

effect at the time the petition is filed, and all of the charges and allegations contained in
Accusation No. 800-2015-013063 shall be deemed to be true, correct and fully admitted by
Respondent when the Board determines whether to grant or deny the petition.

Surgeon’s Certificate No. G 51708 shall be governed by the procedures contained in Article 12.5

FIRST CAUSE FOR DISCIPLINE

(Gross Negligence)

11. Respondent has subjected his Physician’s and Surgeon’s Certificate No. G 51708 to disciplinary action under sections 2227 and 2234, subdivision (b) of the Code in that he engaged in gross negligence in the practice of medicine. The circumstances are as follows:

12. At all times relevant to the charges brought herein, Respondent maintained a medical office in San Diego, California. He saw approximately 100 patients a week, of which approximately 30 to 35 were new patients. A large portion of Respondent’s practice consisted of performing medical marijuana evaluations, but he also saw patients for weight-control and anti-aging issues, and administered Botox injections. None, or almost none, of Respondent’s practice consisted of primary care or pediatrics.

13. On or about March 20, 2015, Respondent saw patient B.G., a four-year-old girl with neurodevelopmental delay, mixed receptive-expressive language disorder, possible autism

// // //

1 “Marijuana” is a Schedule I controlled substance pursuant to Health and Safety Code section 11507, subdivision (d). It is also commonly referred to as “cannabis.”

(ROBERT FULTON STERNER, M.D.) ACCUSATION NO. 800-2015-013063
associated with behavioral problems, motor and verbal tics, attention deficit hyperactivity
disorder (ADHD) and sleep disturbance, among other ailments.

14. Respondent's March 20, 2015 encounter with patient B.G. lasted approximately ten to
fifteen minutes. During this session, Respondent failed to conduct and/or contemporaneously
record an adequate examination of patient B.G.

15. Further, although Respondent received a very short symptom intake form completed
by patient B.G.'s mother and brief visit details for a prior visit to another physician, Respondent
failed to take, record or maintain any contemporaneous treatment notes of his own for the
March 20, 2015 encounter with patient B.G.

16. On or about March 20, 2015, Respondent issued a one-year medical cannabis
recommendation to patient B.G.

17. In or around August 2015, Respondent received a duly authorized request for copies
of patient B.G.'s medical records from an investigator with the Department of Consumer Affairs,
Division of Investigation, Health Quality Investigation Unit (HQIU).

18. On or about September 21, 2015, Respondent submitted copies of medical records for
patient B.G. in his possession, totaling 46 pages, to HQIU. However, Respondent had created a
37-page treatment note comprising the majority of the submitted medical records in or around
August 2015, following receipt of HQIU's request. The treatment note created in or around
August 2015 contained multiple inaccuracies regarding the March 20, 2015 patient encounter.

which included, but was not limited to the following:

(a) On or about March 20, 2015, Respondent treated patient B.G., a young child with
complex neurodevelopmental, behavioral and medical concerns beyond the scope of
Respondent's training and practice background;

(b) On or about March 20, 2015, Respondent provided a medical cannabis
recommendation to patient B.G.;

/ / / /
(c) On or about March 20, 2015, Respondent failed to generate a medical record at or near the time of his encounter with patient B.G. providing the information necessary to comprise a proper medical record; and

(d) On or about September 21, 2015, Respondent provided medical records for patient B.G. that were largely fabricated at a date well after the patient encounter.

SECOND CAUSE FOR DISCIPLINE
(Repeated Negligent Acts)

20. Respondent has further subjected his Physician’s and Surgeon’s Certificate No. G 51708 to disciplinary action under sections 2227 and 2234, subdivision (c) of the Code in that he engaged in repeated negligent acts as more particularly alleged in paragraphs 11 to 19, above, which are hereby incorporated by reference and realleged as if fully set forth herein.

THIRD CAUSE FOR DISCIPLINE
(Failure to Maintain Adequate and Accurate Records)

21. Respondent has further subjected his Physician’s and Surgeon’s Certificate No. G 51708 to disciplinary action under sections 2227 and 2234, as defined by section 2266, of the Code in that he failed to maintain adequate and accurate records relating to the provision of services to his patient as more particularly alleged in paragraphs 11 to 20, above, which are hereby incorporated by reference and realleged as if fully set forth herein.

FOURTH CAUSE FOR DISCIPLINE
(Violating or Attempting to Violate, Directly or Indirectly, Any Provision of the Medical Practice Act)

22. Respondent has further subjected his Physician’s and Surgeon’s Certificate No. G 51708 to disciplinary action under sections 2227 and 2234, subdivision (a), of the Code in that he violated or attempted to violate, directly or indirectly, any provision of the Medical Practice Act as more particularly alleged in paragraphs 11 to 21, above, and paragraph 23, below, which are hereby incorporated by reference and realleged as if fully set forth herein.

/ / / / /

/ / / /
FIFTH CAUSE FOR DISCIPLINE

(General Unprofessional Conduct)

23. Respondent has further subjected his Physician’s and Surgeon’s Certificate No. G 51708 to disciplinary action under sections 2227 and 2234 of the Code in that he engaged in conduct which breaches the rules or ethical conduct of the medical profession, or conduct that is unbecoming to a member in good standing of the medical profession, and which demonstrated an unfitness to practice medicine as more particularly alleged in paragraphs 11 to 22, above, which are hereby incorporated by reference and realleged as if fully set forth herein.

SECTION 822 CAUSE FOR ACTION

(Mental or Physical Illness Affecting Competency)

24. Respondent’s Physician’s and Surgeon’s Certificate No. G 51708 is also subject to Medical Board action pursuant to section 822 of the Code in that his ability to practice medicine safely is impaired because he is mentally ill, or physically ill affecting competency, as more particularly alleged hereinafter:

25. Paragraphs 11 to 23, above, are hereby incorporated by reference and realleged as if fully set forth herein.

26. Pursuant to section 820 of the Code, at the request of the Medical Board, Respondent voluntarily presented to a forensic psychiatric examination. S.O., M.D. (Dr. O.) conducted the examination, which consisted of a forensic psychiatric interview and psychological testing administered on or about August 28, 2016, as well as a review of relevant materials. Based on the examination, Dr. O. concluded that, among other things, Respondent is impaired as a result of a mental illness and unable to practice medicine safely.

DISCIPLINARY CONSIDERATIONS

27. To determine the degree of discipline, if any, to be imposed on Respondent, Complainant alleges that on or about June 12, 2009, in a prior disciplinary action entitled In the Matter of the Accusation Against Robert Fulton Sterner, M.D. before the Medical Board of

(ROBERT FULTON STERNE, M.D.) ACCUSATION NO. 800-2015-013063

That decision is now final and is incorporated by reference as if fully set forth herein.

**PRAYER**

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

3. Ordering Respondent Robert Fulton Sterner, M.D., if placed on probation, to pay the Board the costs of probation monitoring; and

4. Taking such other and further action as deemed necessary and proper.
