RE: Potential Apprentice Violations
City of Oakland – Durant Mini Park Improvements
Project No. C457610

Dear Mr. Kim:

On March 23, 2016, the prime contractor was notified of potential violations of the City of Oakland’s Labor Compliance Program. The above reference project is funded by the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Proposition 84) and as such must adhere to the requirements of the City’s State Approved Labor Compliance Program which was effective August 4, 2011 and applies to all projects funded with Proposition 84 funds.

Please find attached the following:

- Labor Commissioner, State of California Public Works Complaint Form
- Preliminary Apprentice Hours Report by Contractor
- Report of Apprentice Hours by Contractor
- LCP tracker report

The City of Oakland does not have the authority to impose penalties for Apprenticeship violations, but instead is required to file a public works complaint detailing the violation and submitting the complaint and relevant documentation of the violations to the Division of Apprenticeship Standards.

Should you have any questions or concerns you may contact Vivian Inman, Contract Compliance Officer at (510) 238-6261 or myself at (510) 238-7325 for any other questions or concerns.

Very truly yours,

Shelley Darenburg
Senior Contract Compliance Officer

CC: Treva Avery, Public Works Agency
March 24, 2016

City of Oakland  
250 Frank Ogawa Plaza, Suite 4314  
Oakland, CA 94612

Attn: Shelley Daresburg  
Re: Durant Mini Park Improvements; Project No. C457610  
Subject: Closeout Compliance Issues

Shelley,

We are in receipt of your letter dated 03/23/16 in which you summarize the Compliance deficiencies for the above referenced project as it relates to the State’s Apprenticeship requirements.

In response find the following:

**BEC**

A. Operating Engineer; find the following response letter to our request for an operator apprentice from the Operating Engineers Local #3 stating that they have no apprentices available. Also, the one operator that we did have on this project acted as a foreman for the project and did not operate equipment for all hours.

B. Carpenters; find the following payroll summary that indicates that we did indeed have 92 hours of apprentice hours, John Wolfe. Based on this, we had 92/351 total carpenter hours = 26% or a 1:4 ratio.

**RMT Landscape**

A. Plumbers; find the following request letter and response letter to RMT’s request for a plumber apprentice from the U.A. Local #355 stating that they have no apprentices available.

B. Operating Engineer; See BEC item “A” above.

I trust that this resolve this matter. Let me know if we need to meet to work out any of the above.

Sincerely,

Larry Beliveau
You may use this form to request dispatch of an apprentice from the Apprenticeship Committee in the craft or trade in the area of the public work. Go to: http://www.dir.ca.gov/databases/das/pwaddstart.asp for information about programs in your area and trade. You may also consult your local Division Apprenticeship Standards (DAS) office whose telephone number may be found in your local directory under California, State of, Industrial Relations, Division of Apprenticeship Standards. Except for projects with less than 40 hours of journeyman work, you must request and employ apprentices in no less than 8 hour increments.

### To Applicable Apprenticeship Committee:
**JATC 355**  
13 Tennessee Street  
Vallejo, CA 94590  
Tel. No. (707) 644-0335 Fax No. (707) 644-0360

### Contractor Requesting Dispatch:
**RMT Landscape Contractors, Inc.**  
421 Pendleton Way  
Oakland, CA 94621  
License No. 372869  
Tel. No. (510) 569-3208 Fax No. (510) 560-3332

### Project Information:
**Project No.**  
**Name of the Project:** Durant Mini Park  
**Address:** 29th Street Between MLK & West Street, Oakland

### Dispatch Request Information:
**Number of Apprentice(s) Needed:** 1  
**Craft or Trade:** Landscape/Pipefitter  
**Date Apprentice(s) to Report:** 5/11/2015 (72 hrs. notice required)  
**Time to Report:** 7:00am  
**Name of Person(s) to Report to:** Rick DeHerrera  
**Address to Report to:** 421 Pendleton Way  
Oakland, CA 94621

You may use this form to make your written request for the dispatch of an apprentice. Requests for dispatch must be in writing and submitted at least 72 hours in advance (excluding weekends and holidays) via first class mail, fax or email. **Proof of submission may be required.** Please take note of California Code of Regulations, Title 8, § 250.1 (a) for all applicable requirements regarding apprenticeship requests and/or visit http://www.dir.ca.gov/DAS/DASApprenticesOnPublicWorksSummaryOfRequirements.htm DAS 442 (Revised 09/14)

Oakland, CA 94621
Rick DeHerrera

Re: DAS 140 & DAS 142

Dear Mr. DeHerrera,

This JATC is receipt of a DAS 140 and DAS 142 for the following project: Durant Mini Park in Oakland, CA. Thank you for notifying this JATC of the contract award for this public works project. We will keep a record of your submittal.

Please that we may have an apprentice for this project. Once we can confirm the availability of the apprentice, we will contact your office.

It is recognized that RMT Landscape is approved to train apprentices with the JATC and contributes to the apprentice training on a continued basis.

Please keep these communications for your records.

Sincerely,

Miguel Iniguez
Coordinator

Belliveau Engineering has requested an Oakland resident apprentice Operator to help fill a residency requirement.

We do not have an Oakland resident apprentice operator at this time to fill the local requirements.

We do have apprentice Operator's available to fulfill the employers request at this time.

Dist. 20 Dispatch

Phillip Deeff
RE: Durant Mini Park Improvements
Project No. C457610

Dear Mr. Beliveau:

This letter is to inform you that it appears that Beliveau Engineering and its subcontractors have failed to comply with the requirements of the State of California Labor Code Section 1777.5, which requires the employment of apprentices on public works project at a ratio of 5 to 1 or any other approved ratio.

The Durant Mini Park Project is funded by the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Proposition 84) and as such must adhere to the requirements of the City’s State Approved Labor Compliance Program (LCP), which was effective August 4, 2011 and applies to City of Oakland Proposition 84 Water Bond Funded Projects only.

Pursuant to the LCP, at the time of closeout of a project, the City is required to review the project for compliance with the LCP requirements and the requisite labor codes. Our review indicates that your firm may have failed to meet the requirements of Labor Code Section 1777.5, which states in part:

"(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates where the contractor agrees to be bound by those standards, but, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

"
(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. Where an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Administrator of Apprenticeship, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification."

Attached to this letter is a detailed report of the hours worked by the contractor and subcontractors and the hours required to be worked by the apprentices. It is important to note that for the Laborer and Operating Engineer classifications apprentice requirements are met by persons instead of hours. However, our records indicate that many subcontractors had zero ("0") laborer or operating engineers apprentice hours, therefore there is no information reported for these potential shortfalls.

In order to address the apparent noncompliance it is necessary that your firm and its subcontractors submit documentation to support their attempts to obtain the required apprentices. Such proof will consist of the request to the various apprenticeship organizations and their written responses to your request.

Attached is a list of some of the approved organizations that contractors/subcontractors may contact in an effort to obtain Laborer apprentices. This list was obtained from the State of California Department of Industrial Relations. Other lists for carpenters, asbestos workers etc, are available at their website www.dir.ca.gov. It is necessary that all firms contact each organization as listed and obtain documented proof of their efforts.

Your firm has ten days from the date of this notice to address the apparent noncompliance. Failure to do so will result in the City of Oakland forwarding this information to the State of California.

The City of Oakland does not have the authority to impose penalties for Apprenticeship violations, but instead is required to file a public works complaint detailing the violation and submitting the complaint and relevant documentation of the violations to the Division of Apprenticeship Standards. The penalty amount ranges from $100 - $300 per calendar day of noncompliance and debarment up to 3 years.
Should you have any questions or need additional information you may contact Vivian Inman, Contract Compliance Officer at (510) 238-6261 or myself at (510) 238-7325.

Very truly yours,

Shelley Darchsburg
