October 8, 2015

**IMPORTANT NOTICE  
TO AWARDING BODIES AND OTHER INTERESTED PARTIES  
REGARDING A CHANGE TO THE GENERAL PREVAILING WAGE DETERMINATIONS**

**Craft/Classification:** Light Fixture Maintenance: All Fixture Cleaner and Serviceman Classifications  
**Determination:** SC-61-569-20-2014-1 (page 11A)  
**Locality:** Imperial and San Diego Counties

The collective bargaining agreement between International Brotherhood of Electrical Workers Local Union No. 569 and OSRAM Sylvania Lighting Services has been terminated by the signatory parties.

This collective bargaining agreement had been filed as the basis for recognizing this craft as prevailing. Given the termination by the signatory parties to the agreement, there is no longer a basis for recognizing the craft of *Light Fixture Maintenance* as prevailing in Imperial and San Diego counties. Therefore, *Determination SC-61-569-20-2014-1 is no longer in effect as of October 9, 2015.*

Determination SC-61-569-20-2014-1 may continue to be used on public works projects advertised for bids before October 9, 2015. For projects advertised for bids on or after October 9, 2015 in Imperial and San Diego counties, the minimum rate of pay for light fixture maintenance would be that of the craft/classification of Electrician: Inside Wireman.

Please refer to the county determinations to find the rates for the craft/classification of Electrician: Inside Wireman. The scope of work for the craft is posted on the Internet at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>. This information may also be requested from the Office of the Director – Research Unit by calling (415) 703-4774, by faxing a request to (415) 703-4771, or by writing to:
