Dear Chuck,

I hope the information below will help you.

For C7 licensed contractors with whom CWA holds a collective bargaining agreement in the State of California, I believe the following statement covers 95% of work performed by our members.

The scope of work that CWA members perform requires the running of conduit from time to time. This conduit work is typically coincidental to telecommunications work and normally in telecommunications rooms/closets. Usually the conduit run is not longer than 10 feet.

Sincerely,

Bill Quirk
Assistant to Vice President
