**IMPORTANT NOTICE TO AWARDING BODIES AND ALL INTERESTED PARTIES
REGARDING CORRECTIONS TO
THE DIRECTOR'S GENERAL PREVAILING WAGE DETERMINATIONS**

Dear Public Official/Other Interested Parties:

CRAFT: Operating Engineer (Heavy and Highway Work)

CLASSIFICATION: Group 7 and Group 4-A

DETERMINATION: NC-23-63-1-2019-1

GROUP 7

The classification named "Truck-Mounted Rotating Telescopic Boom Type Lifting Device, Manitex or similar (Boom Truck), under 15 tons" was inadvertently included in the classification group as mentioned above. This classification should have only been listed under All Cranes and Attachments Group 4-A.

ALL CRANES AND ATTACHMENTS: GROUP 4-A

There is a typographical error in the classification named, "Truck-Mounted Rotating Telescopic Boom Type Lifting Device, Munitex or similar (Boom Truck), under 15 tons". The spelling of "Munitex" should be Manitex instead of "Munitex."

With the exception of the above corrections, all of the wage rates and other conditions found in the above referenced prevailing wage determination remain unchanged.
