SCOPE OF WORK

If the Employer performs any of the following work with its own Employees, it shall be performed under the terms and conditions of this Agreement. Installation or erection work, and all electrical maintenance, including the final running test on electrical equipment shall be the work of the Inside Wireman. This shall include the installation and maintenance of temporary electrical lighting, heating and power equipment, battery storage, electrical safe-off and electrical make-safe. Such work includes but is not limited to the following:

Fixtures: includes the installation and/or the connecting of all fixtures, control devices, appliances, motors, motor generators and energy producing devices.

Raceways: raceways or conduit systems shall include all such systems (other than structural) which are designed to carry or contain electrical conductors (power, communications and signal) to be installed or for conductors to be installed in the future.

Supports: includes all such work (other than structural) as welding, burning, brazing, bending, core drilling and shaping of all copper, channel iron, angle iron, eye beams, and brackets, trays and embedded supports, that form a necessary part of the installation and erection of the electrical system.

Solar and energy producing devices such as, but not limited to Electronic: photovoltaic or fuel cells, equipment, electronic devices and light emitting or controlling devices. It is further understood that should any technical development or improvement replace any of the above or related methods or systems, that the substitute system or control system shall be treated the same as the system it replaces, with respect to the installation, maintenance and testing, i.e. floor tape wiring, optic fiber dimmers, energy management systems, micro-volt controls and plastic flex. Any dispute arising from this paragraph shall be processed per Article I.4.

The Employer recognizes the Union as the sole and exclusive representative of all its Employees performing work within the jurisdiction of the Union for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment.
