**IMPORTANT NOTICE TO AWARDING BODIES AND ALL INTERESTED PARTIES
REGARDING CORRECTIONS TO
THE DIRECTOR'S GENERAL PREVAILING WAGE DETERMINATIONS**

Dear Public Official/Other Interested Parties:

CRAFT: Plasterer (All Shifts)

LOCALITY: All localities within Alameda, Contra Costa, San Francisco, and San Mateo Counties

DETERMINATION: ALA-2025-1, CON-2025-1, SFR-2025-1, SMA-2025-1

The predetermined increases for the specified craft/classification were inadvertently omitted from the above-referenced determinations. The correct predetermined increase schedules are listed below:

Effective July 1, 2025, there will be an increase of \$4.00 to be allocated to wages and/or fringes.

Effective July 1, 2026, there will be an increase of \$4.00 to be allocated to wages and/or fringes.

Effective July 1, 2027, there will be an increase of \$4.00 to be allocated to wages and/or fringes.

Effective July 1, 2028, there will be an increase of \$4.00 to be allocated to wages and/or fringes.

There will be no further increases applicable to this determination.

Additionally, for the above referenced journeyman craft/classification, shifts, and determinations, the issue date and expiration date are incorrect.

The correct issue date is **February 22, 2025**, instead of August 22, 2024.

The correct expiration date is **June 30, 2025****, instead of June 30, 2025*.

With the exception of the above corrections, all of the wage rates and other conditions found in the above-referenced prevailing wage determinations remain unchanged.
