BURGLAR ALARM AND FIRE ALARM INSTALLATION

The Department has issued several important notices specifying the prevailing rate of pay for the installation of burglar and fire alarms. The notices provide a summary of the applicable rates of pay for burglar and fire alarm installation by county. To view the important notices, please visit the [Director's General Prevailing Wage Determinations website for Important Notices Archive](https://www.dir.ca.gov/oprl/Important_Notices_Archive/Important_notices_archive.htm) (https://www.dir.ca.gov/oprl/Important_Notices_Archive/Important_notices_archive.htm).

For Burglar Alarm Installation and Fire Alarm Installation performed in Modoc and Siskiyou Counties, the minimum rate of pay determinations are issued on a "Project-by-Project basis."

SCOPE OF WORK

III-9. Confined/Tunnel Work: All work defined as that work performed in construction (blasting or drilling) of a subterranean passageway for a road, railroad or canal, wages shall be paid at one hundred ten percent (110%) of the applicable rate.

III-24. Workmen employed under terms of this Agreement shall do all electrical and electronic construction, installation, erection work, instrumentation work, radiation monitoring, and all electrical maintenance thereon, including the connecting, mounting of all fixtures, appliances, motors, equipment, electronic devices, electronic systems, communications systems with all related control wiring and devices, including final running tests. This work also shall include such work as welding, burning, brazing, bending, drilling, shaping and threading of all conduits, copper, silver, aluminum, channel iron, angle irons, "I" beams, and brackets to be used in connection with the installation of electrical wiring or equipment where such work is done on the job site, the installation and maintenance of temporary wiring and the installation and maintenance of all electrical lighting, heating and power equipment.
