IMPORTANT NOTICE TO AWARDING BODIES AND OTHER INTERESTED PARTIES REGARDING A CORRECTION TO THE DIRECTOR’S GENERAL PREVAILING WAGE DETERMINATIONS

Dear Public Official/Other Interested Parties:

CRAFT/CLASSIFICATION: Electrician: Inside Wireman
LOCALITY: All localities within Los Angeles County

The Pension footnote in the Apprentice rates of the above referenced prevailing wage determinations is incorrect.

The correct footnote should read as follows: Pension – Includes amounts for defined contribution and benefit plans for apprentices above period 2. Includes an amount equal to 3% of the basic hourly rate for the National Employees Benefit Fund which is factored at the applicable overtime multiplier for each overtime hour. Pursuant to Labor Code Sections 1773.1 and 1773.8 the amount paid for this employer payment may vary resulting in a lower taxable basic hourly wage rate, but the total hourly rates for straight time and overtime may not be less than the general prevailing rate of per diem wages.

With the exception of the above modification, all of the wage rates, and other conditions found in the above referenced determinations remain in effect.
Apprentice Prevailing Wage Rates are paid only to apprentices registered with the State of California, Division of Apprenticeship Standards, for work the registered apprentice performs in his/her specific craft or trade. You may check whether an Apprentice is registered at http://www.dir.ca.gov/DAS/appcertpw/AppCertSearch.asp
