Yes, please reference the WCIRB as source.

Please send me a copy of your draft version of Mei's report so I can check if it is latest available.

Thanks.

Subject: 2013 WCIRB Data for Class 9050- Hotels

Good morning Glenn. Hope all is well with you.

I want to double check that it is OK to use this WCIRB 2013 data and reference it on our Regulatory Package.

Thank you again for your assistance with the Housekeeper's Statistical Data, we got Mei's Draft Report which will help tremendously to highlight the high number of injuries.

The WCIRB data is not on included on that report, so I need to double check that it is OK to reference it and that I did not make any unintentional changes to the document.

Thank you!
