

Contractor Registration Renewal

Step 1:

As a contractor with an expired registration, navigate to your dashboard at <https://services.dir.ca.gov/pw>. A Registration notice banner will appear at the top of the page indicating your registration has expired. Click Renew Registration.

The screenshot shows a user dashboard for 'TEST'. At the top, a blue header contains the text 'Welcome, TEST' and a search bar. Below this is a yellow banner with the text 'Registration notice' and 'Your registration has expired', with a red-bordered button labeled 'Renew Registration'. The main content area is divided into several sections: 1. 'DIR TEST' profile information showing 'PWCR Number: 1000064915', 'Registration Code: [redacted]', and 'Registration Status: Registration Expired'. 2. 'I want to...' section with four buttons: 'Edit contractor information', 'Edit my business contacts', 'Edit my employees', and 'Unlink myself from business'. 3. 'Project Actions' section with two buttons: 'Link to a project' and 'Archive project'. 4. 'Active Projects' section with the text 'No projects found.'

Step 2:

Complete the Contractor Registration form. The form is divided into sections listed on the left: General Information, Certification, Workers Compensation, Agent of Service, Period and Payment, and Penalty of Perjury.

Do not click Submit until all information is complete

Work through each section in order. On the Certification section, answer all required Contractor Certification questions, including questions about delinquent liabilities, debarment status, prior penalties, and unpermitted public works activity. All fields marked with a red asterisk () are required. Click Next to advance to the next section.*

The screenshot shows the Contractor Registration form interface. At the top, there is a navigation bar with links for Home, Services, How-To Guides, Search, and Your information. Below this, the breadcrumb trail shows Home > Contractor Registration. A search bar is located in the top right corner. On the left side, there is a 'Form Sections' sidebar with a vertical list of sections: 1 General Information (highlighted), 2 Certification, 3 Workers Compensation, 4 Agent of Service, 5 Period and Payment, and 6 Penalty of Perjury. A 'Show all' link is at the bottom of the sidebar. The main content area is titled 'Contractor Registration' and includes a 'Submit' button. Below the title, there is a legend indicating that a red asterisk (*) denotes required fields. The 'General Contractor Information' section contains several input fields: Phone (with value (213) 212-1212), President (with value King Palm), TIN, EIN, or FEIN (with value 123456789), Entity Type (with value Corporation - C corp), and Crafts (with value * Cement Mason). To the right of the form, there are three red error messages: 'State', 'Zip Code', and 'I certify'. Below these, a question asks 'How many fiscal years do you want to register for?' with a 'Choose' button. At the bottom of the form, there are 'Previous' and 'Next' buttons.

Questions should be answered from the drop down menu with yes or no – “None” is not a valid response.

Step 3:

On the Registration Period and Payment section, select how many fiscal years you want to register for.

The fiscal year runs from July 1 of the current year to June 30 of the following year. The Effective Date and Expiration Date will auto-populate based on your selection. The Registration Amount calculates at \$400 per fiscal year. A Penalty Amount will be applied if you have previously worked on public works projects without a valid registration. Review the total Amount Due before proceeding.
