To prevent injuries:

1. Look for hazards in your job and work with others to identify solutions that will work well for you.
   Go to www.dir.ca.gov/CHSWC/WOSHTEP/IIPP to find tips and solutions to address common hazards.

2. Report hazards to our workplace’s safety coordinator or to your supervisor. Share your ideas for solutions.
   Remember, you have a right to a safe workplace.
