## Let's Talk About Pre-Apprenticeship

- Pre-apprenticeship is a program or set of strategies designed to prepare individuals for entry into Registered Apprenticeship Programs
- Pre-apprenticeships may last from a few weeks to a few months and may or may not include wages or stipend
- Pre-Apprenticeship should have an active relationship (MOU/Linkage Agreement) with at least one registered apprenticeship program
- While entry into a registered apprenticeship program is not guaranteed, we expect the registered apprenticeship program should advise on how to best prepare the potential pre-apprentices for entry into the program
- Alignment with CTE curriculum
- Funding opportunities are available to support the creation of preapprenticeships
