August 18th, 2026

IACA Meeting Guidelines

- There must be a quorum to commence the meeting
- Votes must be done by roll call
- Remote committee members must have their cameras turned on for the duration of the meeting and disclose if others (over 18yrs old) are in the room
- Chat is for sharing resources only, and should not be used for conversation
- If there are technical issues and the public is unable to participate, the meeting must end
