IV. Discussion

Diana Limon asked a question regarding procedure for site walkthroughs and not having all inspectors available from IBEW. Luisa stated that due to COVID, not all inspectors are available. Site walkthroughs will continue with inspectors who are available at that time, whether union or non-union.

Angela from UEI College shared good news. UEI College is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC) and they won the School of Distinction Award by ACCSC (Bakersfield). There were about five award categories and UEI schools won three awards out of all ACCSC accredited institutions in the US. Congratulations UEI! Luisa Martinez

V. Adjournment

Next meeting scheduled for either October/November 2020, or sometime in April 2021. Unless there are more schools ready for October meeting. All panels are good for next meeting later this year or next year.

Meeting adjourned by Luisa Martinez at 10:24 AM.
