INSTRUCTIONS FOR FILING A GARMENT WAGE CLAIM

The Labor Commissioner's Office will assist the claimant to fill out the claim form – in person at any local Labor Commissioner's office or by phone.

1) You may walk in to any of our Labor Commissioner offices and you will be assisted with filling out the “Garment Initial Report or Claim” Form (DLSE 633 Claim Form 1).

2) You or your representative may fill out and submit the “Garment Initial Report or Claim” Form (DLSE 633 Claim Form 1). If you do not understand how to fill out any part of the Form, please read the “Guide to Completing Garment Initial Report or Claim Form” (attached to these Instructions).

3) Along with your completed “Garment Initial Report or Claim” Form, submit one COPY of the following documents, if you have them (DO NOT SEND ORIGINAL DOCUMENTS):
   - **Time records.** Provide a COPY of any of your own records you kept of the hours and dates you worked that you believe support your claim. This could include, for example, your notes, journals, diaries, or calendars in which you marked your hours worked.
   - **Paychecks and Pay Stubs.** Provide a COPY of any paychecks and pay stubs you received showing the wages you were paid during your claim period.
   - **Dishonored (or “Bounced”) Paycheck(s).** If you were paid with a paycheck that could not be cashed by you because your employer has no account with the bank or insufficient funds in the account from which the check was drawn, provide a COPY of any such dishonored check(s) or other documentation from the bank that indicates the check could not be cashed.
   - **Labels.** Provide a COPY of all labels including registered numbers you worked on during your alleged period.
   - **Notice of Employment Information.** Provide a COPY if you received a Notice from your employer after January 1, 2012 that indicates your basic employment information including your rate of pay, any overtime rate of pay, whether you were paid by the hour, shift, day, week, salary, piece, commission, or otherwise, and your regular payday. Your employer may have called this a “Notice to Employee” and may reference the Labor Code Section that applies, Section 2810.5.

   **NOTE:** It is the employer’s legal responsibility to keep accurate employee time and payroll records, and to provide employees with pay stubs each time they are paid (or at least semimonthly). In order to file a garment claim, you are not required to keep your own time records or to have the documents above. These documents are being requested only if you have them because they may help the Labor Commissioner’s Office better understand your claim.

4) If you are being assisted by an advocate or representative, you may submit a calculation prepared by your representative.

5) You will not be required to compute your wages owed. The Labor Commissioner’s Office will assist you with these calculations.

WHAT TO EXPECT AFTER YOU FILE YOUR CLAIM

1) **Settlement Conference.** In most cases, you will receive a Notice from the Labor Commissioner’s Office setting a date and time for a “Conference” in which the LABOR COMMISSIONER’S OFFICE will discuss your claim with you and whether your claim has a legal basis to proceed. At the Conference, you, your employer and manufacturers will have an opportunity to discuss settlement of your claim. For the Conference, you do NOT need to bring any witnesses, but be prepared to discuss whether you have any witnesses who can testify for you at a hearing, and generally what they will testify about (if your claim does not settle). Bring a copy (not the original) of any document that supports your claim, but do not bring documents you have already submitted with the Garment Initial Report or Claim Form.

2) **Hearing.** If your claim does not settle at the Conference and has a legal basis to proceed to a hearing, you will receive a Notice from the Labor Commissioner setting a date and time for a hearing on your claim. You should be prepared to present evidence to prove your claim (for example, your testimony, the testimony of any witnesses if you have any witnesses, and/or documents if you have supporting documents). Therefore, you should be prepared to bring witnesses and documents if you have them. If you have documents that support your claim, bring the original documents plus two sets of copies to the hearing. At the end of the hearing, the hearing officer will explain what will happen next.
