Citation 1 Item 1 Type of Violation: **General**

California Code of Regulations, Title 8: Section §3205. COVID-19 Prevention.

(c) Written COVID-19 Prevention Program. Employers shall establish, implement, and maintain an effective, written COVID-19 Prevention Program, which may be integrated into the employer's Injury and Illness Program required by section 3203, or be maintained in a separate document. The written elements of a COVID-19 Prevention Program shall include:

(6) Physical distancing.

(A) All employees shall be separated from other persons by at least six feet, except where an employer can demonstrate that six feet of separation is not possible, and except for momentary exposure while persons are in movement. Methods of physical distancing include: telework or other remote work arrangements; reducing the number of persons in an area at one time, including visitors; visual cues such as signs and floor markings to indicate where employees and others should be located or their direction and path of travel; staggered arrival, departure, work, and break times; and adjusted work processes or procedures, such as reducing production speed, to allow greater distance between employees.

VIOLATION:

Prior to and during the course of the inspection, including, but not limited to, on January 13, and May 12, 2021, employer failed to ensure that employees were separated from other persons by at least six feet at cash registers #1 through #9. (3205(c)(6)(A))

Or in the alternative:

(8) Other engineering controls, administrative controls, and personal protective equipment.

(A) At fixed work locations where it is not possible to maintain the physical distancing requirement at all times, the employer shall install cleanable solid partitions that effectively reduce aerosol transmission between the employee and other persons.

VIOLATION:

Prior to and during the course of the inspection, including, but not limited to, on January 13, and May 12, 2021, the partitions that employer installed at cash registers #1 through #9 were not sufficiently high and/or wide to effectively reduce aerosol transmission between employees and other persons. (3205(c)(8)(A))

Date By Which Violation Must be Abated:

July 08, 2021

Proposed Penalty:

\$600.00
