To all interested parties:

The Division of Occupational Safety and Health will convene an advisory meeting relating to the definition of "Repeat Violation" set forth in Section 334(d) of Title 8 of the California Code of Regulations. DOSH will discuss proposed revisions to Section 334(d) that are intended to improve worker protection in the State of California. The proposed revisions relate to the criteria for classifying a citation as "Repeat", including the timing and geographic requirements for the underlying citation upon which a "Repeat" citation could be based.

The meeting will be held on Thursday, March 13, 2014, in the Oakland State Building, 1515 Clay St, 13th Floor, Suite 1304 (Training Room), commencing at 10:00 am – 3:00 pm. The agenda for the meeting, together with proposed regulatory language, will be posted on our website when available.
