Citation 2 Item 1 Type of Violation: **Willful-Serious**

Prior to and during the course of the inspection, including, but not limited to, August 25, 2020, September 3, 2020 and September 25, 2020, the employer failed to implement and maintain an effective Injury and Illness Prevention Program (IIPP) in the following instances:

Instance 1: The employer failed to effectively implement methods or procedures to correct unhealthy conditions, work practices and work procedures related to the hazard of employee exposure to COVID-19 including, but not limited to:

- a) The hazard created by the lack of physical distancing of at least six feet in all directions between and among employees, and between and among employees and customers in the indoor and outdoor spaces of the workplace;
- b) The hazard created by individuals not using face coverings to limit the release of infectious particles into the air in the workplace.

[3203(a)(6)]

Or, in the Alternative to Instances 2(a) and (b):

Prior to and during the course of the inspection, including but not limited to [date of first inspection], the employer failed to prevent harmful exposure of employees to infectious or potentially infectious airborne particles released when a person breathes, speaks, coughs or sneezes by ensuring the use of engineering controls to prevent the spread of COVID-19, including, but not limited to the following:

- 1. The use of face coverings by individuals in the workplace;
- 2. The use of plexiglass screens or other physical barriers at cash registers and between tables to limit contact and block potentially infectious particles from being released when a person breathes, speaks, coughs, or sneezes.
