

Heat Illness Prevention Seminar

State Compensation Insurance Fund in partnership with Cal/OSHA Consultation is presenting Heat Illness Prevention seminar workshops statewide. Trainers will provide information on the most current California Heat Illness regulations, while discussing best practice solutions for protecting your employees from heat related illnesses. This training seminar will provide you an opportunity to share ideas with others and seek clarification from the experts on heat related questions or concerns you may encounter while evaluating your procedures for effectiveness and compliance with heat illness standards.

Speakers are from Cal/OSHA Consultation Service and/or State Fund.
