Click “Log In” on the WPV reporting webpage:
http://www.dir.ca.gov/dosh/workplace-violence-reporting-for-hospitals.html

Click on “reset your password here.”

Enter your user name and email address and click “Reset Password.”
You will receive an email notifying you that your password has been reset. 
Click on the system link.

Hello Gary,

A password reset was requested for your user account on the DOSH Hospital Workplace Violent Incident Reporting system. 
https://edirtest.service-now.com/

The password has been reset and you can now log in with the following credentials:

User Name: ggray@email.com
Password: gJ4$287551

If you did not request this password reset, please contact DOSH WPV Support at DOSHWPV@dir.ca.gov.

Make note of the temporary password in the email.

Enter your user name (email address) and temporary password from the email notification.

Enter your temporary password into the “Current Password” field.

Enter and confirm your new password.
Your password must have at least 8 characters, one uppercase, one lower case, and a digit.

Click “Submit.”

Notes:
- Notify us at DOSHWPV@dir.ca.gov if you get a password reset email that you have not requested.
- For more information, watch the tutorial User Registration here: https://youtu.be/BBShCa-AhXg
