Subject: Transmittal of Mine Safety Order Proposals for Meeting #6

Dear Advisory Committee Member,

Please find enclosed the revised MSO proposal, pages 1-125, which will be the subject of our next meeting in Sacramento on April 10th, at 2424 Arden Way, Room 450, 9AM to 4 PM. The items in gray highlight have been agreed to. We will be discussing many of the subsequent paragraphs at the meeting, while others may be in the re-formulation stage and will be discussed later.

Thanks again for your willingness to participate in this important process by reviewing the proposed language before the meeting.

After the upcoming Sacramento meeting on April 10th, we have only three meetings left for this advisory committee.

- Meeting #7: Thursday, May 8, 2014 in Sacramento, 9 AM to 4 PM
- Meeting #8: Wednesday, June 4, 2014 in Van Nuys, 9 AM to 4 PM
- Meeting #9: Wednesday, June 25, 2014 in Sacramento, 9 AM to 4 PM (Only if Needed)

We were not able to transcribe the minutes from the last meeting as yet and will do so after the Chico office gets up and running after a repainting shutdown, March 27th through April 8th.

I look forward to seeing everyone on April 10th in Sacramento.

Sincerely,

Steve Hart
