

Bloodborne Pathogens in the Adult Film Industry Cal/OSHA Advisory Subcommittee on Medical Issues

Tuesday, September 14, 10 a.m. to 3:30 p.m.
Oakland State Building, 1515 Clay St. Room 1304, Oakland CA

Draft Agenda

1. Introductions
2. Background information
3. Risks associated with different routes of exposure to bloodborne pathogens and other STDs
4. What bloodborne pathogens/STD risks exist for performers in the adult film industry assuming barrier protection is used that prevents contact of the employee's eyes, mouth and other mucous membranes, and skin with blood or other potentially infectious materials (includes semen and vaginal secretions). What medical services are recommended to address these risks?
 - A. Vaccinations
 - B. Periodic screening
 - C. Post exposure
5. How are these recommendations affected by:
 - A. No use of barrier protection for fingers or other skin to genital contact
 - B. No use of barrier protection for oral sex, with or without ejaculation into the oral cavity or other oral contact with ejaculate
 - C. No use of barrier protection for anal or vaginal sex
 - D. Ejaculation onto the skin or mucous membranes
 - E. Other sexual or parenteral contact

There will be a lunch break from approximately noon to 1 p.m.

NOTICE TO PARTIES: Disability accommodation is available upon request. Any person with a disability requiring an accommodation, auxiliary aid or service, or a modification of policies or procedures to ensure effective communication and access to the programs of the Division of Occupational Safety and Health, should contact Ms. Tracy Kwon, Statewide Disability Accommodation Coordinator at 1-866-326-1616 (toll free). The Coordinator can also be reached through the California Relay Service, by dialing 711 or 1-800-735-2929 (TTY) or 1-800-855-3000 (TTY-Spanish).

Accommodations can include modifications of policies or procedures or provision of auxiliary aids or services. Accommodations include, but are not limited to, an Assistive Listening System (ALS), a Computer-Aided Transcription System or Communication Access Realtime Translation (CART), a sign language interpreter, documents in Braille, large print or on computer disk, and audio cassette recording. Accommodation requests should be made as soon as possible. Requests for an ALS or CART should be made no later than five (5) days before the meeting.
