DOR Queuing Process

V1.1

3/18/2010

CLERK

Request sent to clerk for additional calendar dates or change of case owner

DPQ operator

If no slot is found by system after 14 calendar days, the DPQ operator will contact the district office to open slots or change case owner

If no slot is found by district office after 5 calendar days, the DOR will be deleted and a notice sent to submitter

DOR's
DOR QUEUE BY WCJ

Once daily, at the first batch, DOR's are cycled back through the system in an attempt to find an available slot.

If there is no queue for the assigned WCJ, Curam then calendars the requested appearance and a date is provided to the SFTP Trading Partner.

Proposed Business Rules

1. DOR's will only be added to the DOR Queue if no time slots are available for a hearing.
2. DOR's will be added to the Queue as received chronologically. This order will be maintained in the queue.
3. DOR's in the Queue will be processed on a "First In, First Out" basis.
4. The DOR Queue will attempt to recycle once daily in the first EAMS Batch Process.
