Dear ████████████████████:

Determination:

A Request for Independent Bill Review (IBR) was assigned to MAXIMUS Federal Services on 2/28/2014, by the Administrative Director of the California Division of Workers' Compensation pursuant to California Labor Code section 4603.6. MAXIMUS Federal Services has determined that the **Claims Administrator's determination is reversed. The Claims Administrator is required to reimburse you the IBR fee of \$335.00 and the amount found owing of \$175.03, for a total of \$505.03.**

Pertinent Records and Other Appropriate Information Relevant to the Determination Reviewed:

The following evidence was used to support the decision:

- The original billing itemization
- Supporting documents submitted with the original billing
- Explanation of Review in response to the original bill
- Request for Second Bill Review and documentation
- Supporting documents submitted with the request for second review
- The final explanation of the second review
- Official Medical Fee Schedule or negotiated contract: PPO
- Other: CMS' Durable Medical Equipment, Prosthetics/Orthotics, and supplies (DMEPOS) Fee Schedule

Supporting Analysis:

The dispute regards the amount paid for Durable Medical Equipment (E1399 Modifier LL). The Provider was reimbursed \$88.97 and is requesting additional reimbursement of \$241.03. The Claims Administrator based its reimbursement of the billed code E1399 on E0745 with the explanation "The charge exceeds the Official Medical Fee Schedule allowance and has been adjusted to the schedule."

- **E1399:** Durable Medical Equipment, miscellaneous
- **Modifier LL:** Lease/rental (use the LL modifier when DME equipment rental is to be applied against the purchase price)

The Provider is the manufacturer of the supplied Durable Medical Equipment (H-Wave Home Device). The DME equipment was billed using the HCPCS E1399. The HCPCS code E1399 is not listed on the CMS' Durable Medical Equipment, Prosthetics/Orthotics, and supplies (DMEPOS) Fee Schedule. The cost of the item was documented on the invoice at \$3,300.00. A written appeal was submitted with the documentation, the appeal indicated a monthly charge of \$330.00 and purchase price of \$3,300.00. The original bill submitted with the documentation indicated a billing for one unit of the billed HCPCS code E1399 Modifier LL. The documentation included a prescription for the H-wave Home Care system. The prescription was from the Primary Treating physician on a report titled "Primary Treating Physician's Progress Report Addendum." The Treatment plan indicated "30 day trial evaluation trial of the H Wave Homecare system."

The DME equipment was billed using the HCPCS E1399. The HCPCS code E1399 is not listed on the CMS' Durable Medical Equipment, Prosthetics/Orthotics, and supplies (DMEPOS) Fee Schedule. A written appeal was submitted with the documentation. The appeal indicated a monthly charge of \$330.00 and purchase price of \$3,300.00. The Claims Administrator did not indicate on the explanation of review (EOR) a pre-negotiated fee arrangement of \$88.97 or allowance of E0745. Therefore, the reimbursement of H-Wave unit billed using HCPCS E1399 Modifier LL, should have been based on the Provider's billed amount of \$330.00 minus any PPO discount.

The additional reimbursement of \$175.03 is warranted per the Official Medical Fee Schedule code E1399 Modifier LL.
