HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with denial of CPT 99354
- Claims Administrator denied code indicating “We cannot review this service without necessary documentation” and “Service must be billed w/base code”
- Provider billed code 99354 along with Evaluation and Management code 99213 (15 minutes face to face) on the CMS 1500.
- Code description for total duration of prolonged services states 30-74 minutes (30minutes – 1 hr. 14 min.) report code 99354 x 1.
- Provider’s documentation states “face to face counseling 45 min”
