He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

## ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider seeking remuneration of 99205 on date of service 09/26/2014.
- Claims Administrator denied code indicating not authorized.
- Communication dated September 10, 2014 certified spine surgeon consult with Provider signed by Claims Administrator.
- § 5307.11: A health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier may contract for reimbursement rates different from those in the fee schedule adopted and revised pursuant to Section 5307.1. When a health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier contract for reimbursement rates different from those in the fee schedule, the medical fee schedule for that health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code shall not apply to the contracted reimbursement rates.
