## HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

## ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE: Provider seeking additional reimbursement for CPT/HCPCS codes: 80053, 82570, 84156, 85025, 96413, 99213-25, J7050, Revenue Code 258 (NDC N400264180033) and J9035.**
- The Claims Administrator reimbursed the Provider \$7,020.67 for the billed services with the following rationale: The charge exceeds the OMFS allowance. The charge has been adjusted to the scheduled allowance.
- UB-04, Bill Type 0131, Revenue Codes: 258, 300, 305, 335, 510 and 636 (CPT/HCPCS **80053, 82570, 84156, 85025, 96413, 99213-25, J7050, NDC N400264180033 and J9035**). DOS: 4/8/2015.
- **Contractual Agreement** states the following regarding as being applicable for Group Health, Workers' Compensation and Other Payment Programs. Hospital Services, all services shall be reimbursed at 90% of Provider's billed charges. As an **Exempt Facility** under the California Workers' Compensation Official Medical Fee Schedule, all Workers' Compensation services shall be reimbursed under the rates/terms listed above.
- The above mentioned contract language was indicated in an "Amendment to Participating Hospital Agreement" submitted by the Provider, effective 8/1/2007 between the PPO Group and the Provider. The Amendment was signed and dated by both parties.
- The Claims Administrator submitted a dispute, justifying reimbursement based on 2002 amendment. It was agreed that their argument is justified for the 2002 amendment but NOT, however, for the current 8/1/2007 Amendment which clearly states, and acknowledges, the Provider's **exemption status and reimbursement rate**.

- § 9789.32 (f) Critical access hospitals and hospitals that are excluded from acute PPS are exempt from this fee schedule.
- Provider is identified on CMS.gov as a Medicare PPS excluded Cancer Hospital.
- **Pursuant to LC § 5307.11:** A health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier may contract for reimbursement rates different from those in the fee schedule adopted and revised pursuant to Section 5307.1. When a health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier contract for reimbursement rates different from those in the fee schedule, **the medical fee schedule for that health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code shall not apply to the contracted reimbursement rates.**
- Based on the aforementioned documentation and guidelines, additional reimbursement is indicated for the outpatient hospital services. Reimbursement is recommended based on PPO contract allowance of 90% of the billed charges for CPT/HCPCS codes: 80053, 82570, 84156, 85025, 96413, 99213-25, J7050, Revenue Code 258 (NDC N400264180033) and J9035.
