Dear [REDACTED]

MAXIMUS Federal Services has completed the Independent Bill Review (“IBR”) of the above workers’ compensation case. This letter provides you with the IBR Final Determination and explains how the determination was made.

Final Determination: OVERTURN. MAXIMUS Federal Services has determined that additional reimbursement is warranted. The Claims Administrator’s determination is reversed and the Claim Administrator owes the Provider additional reimbursement of \$195.00 for the review cost and \$93.74 in additional reimbursement for a total of \$288.74. A detailed explanation of the decision is provided later in this letter.

The Claim Administrator is required to reimburse the Provider a total of \$288.74 within 45 days of the date on this letter per section 4603.2 (2a) of the California Labor Code. The determination of MAXIMUS Federal Services and its expert reviewer is deemed to be the Final Determination of the Administrative Director of the Division of Workers’ Compensation. This determination is binding on all parties. In certain limited circumstances, you can appeal the Final Determination. Appeals must be filed with the Workers’ Compensation Appeals Board within 20 days from the date of this letter. HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE:** Provider is dissatisfied with denial of codes 20550-59-79-LT and 20550-59-79-RT
- Claims Administrator denied codes indicating on the Explanation of Review “Included in another procedure”
- Provider billed codes 20550-59-79-LT and 20550-59-79-RT along with reimbursed code 64721
- As pair code exists between 20550 and 64721, generally these two codes are not billed together. However, modifier indicator column shows ‘1’ which states if an approved modifier is appended to the column two code and documentation is submitted to support the billed code, then the edit may be overridden.
- Provider did bill codes with an approved modifier, and documentation received supports billed codes
- Based on information reviewed, reimbursement of codes 20550-59-79-LT and 20550-59-79-RT is warranted.

The table below describes the pertinent claim line information.
