HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE: Provider seeking remuneration for Unlisted Procedure Code 70846-29 for date of service 08/29/2014.**
- July 14, 2014 Authorization states 2 units of 70846 as “Certified.”
- EOR indicates 70846 billed as two line items; the second denied based on MUE rational.
- **Pursuant to LC § 5307.11:** A health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier may contract for reimbursement rates different from those in the fee schedule adopted and revised pursuant to Section 5307.1. When a health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier contract for reimbursement rates **different from those in the fee schedule**, the medical fee schedule for that health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code **shall not apply to the contracted reimbursement rates.**
- The aforementioned July 14, 2014 documentation is contractual in nature. As such, the contractual rates apply pursuant to LC § 5307.11.
- Based on the aforementioned documentation and guidelines, reimbursement is warranted for 70846-29.
