HOW THE IBR FINAL DETERMINATION WAS MADE

MAXIMUS Federal Services Chief Coding Specialist reviewed the case file and researched pertinent coding and billing standards to reach a determination. In some cases a physician reviewer was employed to review the clinical aspects of the care to help make a determination. He/she has no affiliation with the employer, employee, providers or the claims administrator. The expert reviewer was selected based on his/her clinical experience, education, background, and expertise in the same or similar specialties that evaluate and/or treat the medical condition and disputed items/services.

ANALYSIS AND FINDING

Based on review of the case file the following is noted:

- **ISSUE IN DISPUTE: Provider seeking remuneration for Unlisted Procedure Code 99199 for date of service 12/22/2014.**
- Services denied by Claims Administrator due to “value of the service is included in the value of another service performed on the same day.”
- **RFA** dated 12/04/2014, **signed by Claims Administrator**, reflects “**granted**” request for **record review utilizing Unlisted Procedure Code 99199** and Usual and Customary Fee of \$62.50 for each 15 min unit.
- **Pursuant to LC § 5307.11:** A health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier may contract for reimbursement rates different from those in the fee schedule adopted and revised pursuant to Section 5307.1. When a health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code, and a contracting agent, employer, or carrier contract for reimbursement rates **different from those in the fee schedule**, the medical fee schedule for that health care provider or health facility licensed pursuant to Section 1250 of the Health and Safety Code **shall not apply to the contracted reimbursement rates.**
- The aforementioned **012/04/2014 signed RFA is contractual in nature**, as such, the contractual rates apply pursuant to **LC § 5307.11.**
- December 22, 2014 report indicates “1.5 hours,” equating to 6 units.
- **Based on the aforementioned documentation and guidelines, reimbursement is warranted for 99199.**
