## **Division of Workers' Compensation to host electronic filing expo at Van Nuys district office Oct. 6**

The Division of Workers' Compensation, in conjunction with its vendor partners and Van Nuys district office, will host an electronic filing expo on Thursday, Oct. 6. The event is free and anyone interested in e-filing is encouraged to attend.

Electronic filing is the fastest way to get documents into EAMS, DWC's electronic case management system for the workers' compensation courts. There are now two ways to file electronically: [e-forms](#) and [JET File](#), making it easier and more convenient for filers. JET File is for large-volume filers, while e-forms are better for small to medium filers. The Oct. 6 expo will provide information about, and demonstrations of, both filing methods.

Filers looking for faster, easier and more cost-effective alternatives to paper forms are encouraged to attend this electronic filing expo:

**Thursday, Oct. 6**

**10 a.m.-noon (morning session)**

**1-3 p.m. (afternoon session)**

**Van Nuys state building auditorium (ground floor)**

**6150 Van Nuys Blvd.**

**Van Nuys, CA 91401-3370**

No registration is necessary. Filers can drop in any time between 10 a.m. and 2 p.m. The program will repeat throughout the day. There will be an hour lunch break from noon until 1 p.m.

“Electronic filing is the way of the future, and now is the time to join,” said Mark Fudem, acting associate chief judge for EAMS. “The expo will make it easy for filers to see their options and sign up to take advantage of e-filing.”

The expo will include:

- A walkthrough of each electronic filing method and its benefits for filers
- Access to tech and business experts, who will be available for consultation and questions about each filing method

- Approved software and third party filing service providers, who can demonstrate and answer questions about products that help filers take advantage of the speed and efficiency of electronic filing
- Ability to sign up for electronic filing on the spot
- Refreshments
- Prizes.

This is the second e-filing expo hosted by DWC, following the first in Los Angeles on July 29. For more information on electronic filing, see the [e-team web site](#). For more information about this event, email [EAMS@dir.ca.gov](mailto:EAMS@dir.ca.gov).
