Division of Workers' Compensation provides grace period to use updated fact sheets for injured workers

The Division of Workers' Compensation has posted updated [fact sheets for injured workers](#) on its website which provide answers to frequently asked questions about issues affecting their benefits, and include changes mandated by Senate Bill 863. The division is providing a grace period until April 28, 2013 to use the revised fact sheet as required for issuance of benefit notices. Only the text of the fact sheet is required for compliance.
