FREE WEBINAR

“The QME Process: How to Successfully Request a Represented Panel”

Thursday, Sept. 19, 2013

2:00 – 3:00 PM

Division of Workers' Compensation's (DWC) invites claims administrators, attorneys, and others to attend this online web training on the Qualified Medical Evaluator (QME) panel request process in order to:

- obtain tips on how to successfully submit represented panel QME requests
- gain tools to make panel requests easier and more efficient leading to a shorter wait time to receive panels
- avoid common errors in incomplete or inappropriate requests.

Analysis revealed that up to 90% of represented panel QME requests are improperly submitted since SB 863 changes were implemented.

Pre-registration is not required for this free webinar meeting; however ports available for the training are limited. Attendees are encouraged to gather in groups to participate in this online training. The [technical specifications](#) for accessing the webinar are posted on the DWC website.

Please note, in order to save time before the meeting, [check your system](#) to make sure it is ready to use Microsoft Office Live Meeting. The audio option is not available when you choose the web access option for the webinar program. Instead, launch the Microsoft Live Meeting Client (requires software download). The software download takes approximately 15 to 20 minutes. We recommend that you login approximately 5 minutes before the meeting.
