

DEPARTMENT OF HEALTH AND HUMAN SERVICES

OFFICE OF INSPECTOR GENERAL

WASHINGTON, DC 20201

APR 30 2014

Peter Anthony Beoris M.D.
P.O. Box 927
Montague, CA 96064-0927

Dear Peter Anthony Beoris:

Re: OI File Number H-14-4-0293-9

This is to notify you that you are being excluded from participation in any capacity in the Medicare, Medicaid, and all Federal health care programs as defined in section 1128B(f) of the Social Security Act (Act). The Act defines a Federal health care program as any plan or program that provides health care benefits, whether directly or indirectly, through insurance, or otherwise, which is funded directly, in whole or in part, by the United States Government (except the Federal Employees Health Benefits Program). State health care programs are defined in section 1128(h) and include plans and programs under titles XIX, V, XX, and XXI. The scope of this exclusion is broad and will have a significant effect on your ability to work in the health care field.

This action is being taken under section 1128(b)(4) of the Act (42 U.S.C. 1320a-7(b)) because your license to practice medicine or provide health care as a medical doctor in the State of California was revoked, suspended, or otherwise lost or was surrendered while a formal disciplinary proceeding was pending before the Medical Board of California for reasons bearing on your professional competence, professional performance, or financial integrity. See 42 U.S.C. 1320a-7(b), 42 C.F.R. 1001.501.

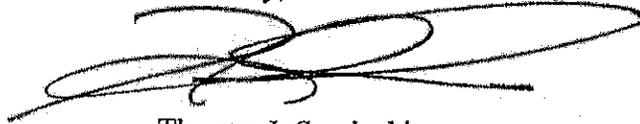

This program exclusion is effective 20 days from the date of this letter and will remain in effect until you are reinstated by the Office of Inspector General (OIG). To be eligible for reinstatement, you must regain your license as a medical doctor in the State of California.

This exclusion will affect your ability to claim payment from these programs for items or services that you render; it will NOT affect your right to collect benefits under any Federal health care program such as Medicare, Medicaid, and Social Security. You may find more information regarding exclusions on the OIG's website, including Frequently Asked Questions and the Special Advisory Bulletin about the Effect of Exclusion. To access this site, go to <http://oig.hhs.gov>, click on EXCLUSIONS DATABASE, and then choose the item you would like to access.

A detailed explanation of the authority for this exclusion, its effect, and your appeal rights is enclosed and is incorporated as part of this notice by specific reference. You should read this document carefully, act upon it as necessary, and retain it for future reference.

REINSTATEMENT IS NOT AUTOMATIC. You must apply to the OIG and be granted reinstatement. Obtaining a license, moving to another State, or obtaining a provider number from a Medicare contractor, a State agency, or a Federal health care program does not reinstate your eligibility to participate in those programs.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas J. Sowinski', with a large, stylized flourish extending to the right.

OFFICE OF INSPECTOR GENERAL

WASHINGTON, DC 20201

HOW TO APPEAL YOUR EXCLUSION

If you disagree with this action, you may request a hearing before an administrative law judge (ALJ). You may file a request for a hearing before an ALJ only on the issues of: (i) whether the Inspector General has a basis for the imposition of the sanction, and/or (ii) whether the length of exclusion is unreasonable.

A request for hearing must be made in writing within 60 days of receiving the OIG's notice of exclusion. The date you receive the Inspector General's notice of exclusion will be presumed to be five (5) days after the date of such notice unless there is a reasonable showing to the contrary.

Your request for hearing must be accompanied by a copy of the Inspector General's notice of exclusion, a statement as to the specific issues or findings with which you disagree; along with the basis for your contention that the specific issues and/or findings are incorrect.

Your request for hearing should be filed with the Departmental Appeals Board electronic filing system website (DAB E-File) at <https://dab.efile.hhs.gov>. To file a new appeal using DAB E-File, you must first register a new account, by: (1) clicking "Register" on the DAB E-File home page; (2) entering the information requested on the "Register New Account" form; then (3) clicking "Register Account" at the bottom of the form. If you have more than one representative, each representative must register separately to use DAB E-File on your behalf.

The e-mail address and password provided during registration must be entered on the login screen <https://dab.efile.hhs.gov/login> to access DAB E-File. A Registered User's access to DAB E-File is restricted to the appeals for which he or she is a party or authorized representative. Once registered, you may file your appeal by:

- Clicking the "File New Appeal" link on the "Manage Existing Appeals" screen, then clicking "Civil Remedies Division" on the "File New Appeal" screen; and
- Entering and uploading the requested information and documents on the "File New Appeal - Civil Remedies Division" form.

All documents must be submitted in Portable Document Format ("PDF"). Any document, including a request for hearing, will be deemed to have been filed on a given day, if it is uploaded to DAB E-File on or before 11:59 p.m. Eastern Standard Time of that day. A party that files a request for hearing via DAB E-File will be deemed to have consented to accept electronic service of appeal-related documents that OIG files, or CRD issues on behalf of the Administrative Law Judge, via DAB E-File. Correspondingly, OIG will also be deemed to have consented to electronic service. More detailed instructions on DAB E-File for CRD cases can be found on the link to CRD E-File Procedures on the File New Appeal Screen for CRD appeals.

In the event you are unable to file a hearing request using the DAB E-File system, you may submit all of the required information by mail to:

OFFICE OF INSPECTOR GENERAL

WASHINGTON, DC 20201

Please read carefully and retain; it contains important information about your exclusion

You are excluded from participation in any capacity in the Medicare, Medicaid, and all Federal health care programs as defined in section 42 U.S.C. 1320a-7b(f) of the Social Security Act.

This exclusion significantly limits your ability to work in any capacity in the health care field in the United States. No payment will be made by any Federal health care program (such as Medicare, Medicaid, Veterans Administration, TRICARE, the Military Direct Care System, etc.) for any items or services furnished, ordered, or prescribed by you in any capacity. For example, you are prohibited from submitting or causing claims to be submitted to Federal health care programs for items or services which you provide, and you are also prohibited from being employed to provide items or services which are billed to a Federal health care program. Such items or services could include administrative, clerical, and other activities that do not directly involve patient care or the provision of any health care related services.

An excluded person cannot be employed by a provider to perform functions paid for, in whole or in part, by any Federal health care program. Generally speaking, with rare exceptions, you may not be employed by a hospital, nursing home, or any other institutional provider that participates in Federal health care programs.

This exclusion does not affect your rights or the rights of your family members to collect benefits to which you or they may be entitled as a beneficiary under any Federal program such as Medicare, Medicaid, or Social Security.

Under 42 U.S.C. 1320a-7(a)(1)(D), the Office of Inspector General (OIG) is required to notify all applicable State agencies of your exclusion, and they are required to exclude you for the same period of time. The OIG's exclusion is in addition to any sanction an individual State or other Federal agency may impose under its own authority. Notice will be provided to the public and other parties in accordance with 42 U.S.C. 1320a-7(d) and (e).

~~Any service you provide is a non-covered service. Therefore, notwithstanding 42 U.S.C. 1395w-4(g)(4), you cannot submit claims or cause claims to be submitted for payment under any Federal health care program. Violations of the conditions of your exclusion may subject you to criminal prosecution and/or the imposition of civil monetary penalties and the denial of your reinstatement to the programs. See 42 U.S.C. 1320a-7a(a)(1)(D) and 42 C.F.R. 1001.3002(a)(2).~~

YOUR REINSTATEMENT IS NOT AUTOMATIC. You will not be reinstated at the conclusion of the minimum period of exclusion, or anytime thereafter, **UNLESS YOU APPLY TO THE OIG AND ARE GRANTED REINSTATEMENT** to the Medicare, Medicaid, and all Federal health care programs under the provisions of 42 U.S.C. 1320a-7(g) and 42 C.F.R. 1001.3001-3005. If you were excluded because you lost your license, you may not apply for reinstatement until your license has been restored by the licensing board or agency which originally took the disciplinary action against you. A request for reinstatement may be made to the OIG no earlier than 90 days prior to the expiration of the minimum period of exclusion. The request must be made in writing and should be sent to the Director, Exclusions Branch, Office of Investigations, P.O. Box 23871, Washington, DC 20026. Upon receipt of the request, the OIG will notify you of the information and documentation it requires to reach a decision on your reinstatement.

Obtaining a license, moving to another State, or obtaining a provider number from a Medicare contractor, a State agency, or a Federal health care program does not reinstate your eligibility to participate in those programs.

Physician and Surgeon's Certificate
No. G35111

Case No. D1-2001-121096

ACCUSATION AND PETITION TO
REVOKE PROBATION

Complainant alleges:

PARTIES

1. Linda K. Whitney (Complainant) brings this Accusation and Petition to Revoke Probation solely in her official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs
2. On or about August 1, 1977, the Medical Board of California issued Physician and Surgeon's Certificate Number G35111 to Peter Anthony Beoris, M.D. (Respondent). The Physician and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought herein and will expire on March 31, 2014, unless renewed.
3. In a disciplinary action entitled, "In the Matter of Accusation Against Peter Anthony Beoris, M.D.," Case No. 12-2001-121096, the Medical Board of California ("Board"), issued a Decision, effective March 22, 2004, in which Respondent's Physician's and Surgeon's Certificate

1 was revoked. The revocation, however, was stayed and Respondent's Physician's and Surgeon's
2 Certificate was placed on probation for a period of ten (10) years with certain terms and
3 conditions. On March 1, 2004, a Writ of Mandate was filed in Superior Court. On March 22,
4 2004, a Partial Judicial Review Stay Order was issued. On July 27, 2004, the Board prevailed
5 after Judicial Review. On February 16, 2005, an Amended Decision After Non-Adoption was
6 issued and the effective date of the Decision remained March 22, 2004. A copy of the Amended
7 Decision is attached as Exhibit A and is incorporated by reference. On January 24, 2013, an
8 Interim Suspension Order was issued pursuant to Government Code section 11529, prohibiting
9 Respondent from practicing medicine.

10 JURISDICTION

11 4. This Accusation and Petition to Revoke Probation is brought before the Medical
12 Board of California (Board), Department of Consumer Affairs, under the authority of the
13 following laws. All section references are to the Business and Professions Code unless otherwise
14 indicated.

15 5. Section 2234 of the Code, states:

16 "The board shall take action against any licensee who is charged with unprofessional
17 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
18 limited to, the following:

19 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
20 violation of, or conspiring to violate any provision of this chapter.

21 "(b) Gross negligence.

22 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
23 omissions. An initial negligent act or omission followed by a separate and distinct departure from
24 the applicable standard of care shall constitute repeated negligent acts.

25 "(1) An initial negligent diagnosis followed by an act or omission medically appropriate
26 for that negligent diagnosis of the patient shall constitute a single negligent act.

27

28

1 "(2) When the standard of care requires a change in the diagnosis, act, or omission that
2 constitutes the negligent act described in paragraph (1), including, but not limited to, a
3 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the
4 applicable standard of care, each departure constitutes a separate and distinct breach of the
5 standard of care.

6 "(d) Incompetence.

7 "(e) The commission of any act involving dishonesty or corruption which is substantially
8 related to the qualifications, functions, or duties of a physician and surgeon.

9 "(f) Any action or conduct which would have warranted the denial of a certificate.

10 "(g) The practice of medicine from this state into another state or country without meeting
11 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not
12 apply to this subdivision. This subdivision shall become operative upon the implementation of the
13 proposed registration program described in Section 2052.5.

14 "(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and
15 participate in an interview scheduled by the mutual agreement of the certificate holder and the
16 board. This subdivision shall only apply to a certificate holder who is the subject of an
17 investigation by the board."

18 6. Section 2227 of the Code provides that a licensee who is found guilty under the
19 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
20 one year, placed on probation and required to pay the costs of probation monitoring, or such other
21 action taken in relation to discipline as the Division deems proper.

22 7. Section 820 of the Code states:

23 "Whenever it appears that any person holding a license, certificate or permit under this
24 division or under any initiative act referred to in this division may be unable to practice his or her
25 profession safely because the licentiate's ability to practice is impaired due to mental illness, or
26 physical illness affecting competency, the licensing agency may order the licentiate to be
27 examined by one or more physicians and surgeons or psychologists designated by the agency.
28

1 The report of the examiners shall be made available to the licentiate and may be received as direct
2 evidence in proceedings conducted pursuant to Section 822."

3 8. Section 822 of the Code states:

4 "If a licensing agency determines that its licentiate's ability to practice his or her profession
5 safely is impaired because the licentiate is mentally ill, or is physically ill affecting competency,
6 the licensing agency may take action by one of the following methods:

7 "(a) Revoking the licentiate's certificate or license.

8 "(b) Suspending the licentiate's right to practice.

9 "(c) Placing the licentiate on probation.

10 "(d) Taking such other action in relation to the licentiate as the licensing agency in its
11 discretion deems proper.

12 "The licensing agency shall not reinstate a revoked or suspended certificate or license until
13 it has received competent evidence of the absence or control of the condition which caused its
14 action and until it is satisfied with due regard for the public health and safety of the person's right
15 to practice his or her profession may be safely reinstated."

16 **FIRST CAUSE FOR DISCIPLINE**

17 (General Unprofessional Conduct)

18 [Bus. & Prof. Code § 2234]

19 9. Respondent is subject to disciplinary action under section 2234 in that Respondent
20 has engaged in unprofessional conduct by knowingly and repeatedly violating a court-order.

21 The circumstances are as follows:

22 10. Respondent has a long-standing addiction to alcohol, uses alcohol to deal with stress
23 and was involved in an automobile accident while intoxicated and subsequently convicted of a
24 misdemeanor driving under the influence on July 10, 2000. After the automobile accident,
25 Respondent first enrolled in an outpatient alcohol treatment program followed by, at the request
26 of the Medical Board's Diversion Program, an inpatient treatment program. Respondent then
27 entered a monitored residential living program that he successfully completed in July 2000. In
28 February 2001, Respondent relapsed and ultimately was terminated from the Board's Diversion
Program.

1 SECOND CAUSE TO REVOKE PROBATION
2 (Failure to Comply with Biological Fluid Testing)
3 [Bus. & Prof. Code § 2227]

4 22. At all times after the effective date of Respondent's probation, Condition 4 of the
5 Board's Decision stated:

6 "Respondent shall immediately submit to biological fluid testing, at respondent's cost, upon
7 the request of the Division or its designee."

8 23. Respondent's probation is subject to revocation because he failed to comply with
9 Probation Condition 4 of the Board's Decision, referenced above. The facts and circumstances of
10 this violation are as follows:

- 11 A. On or about January 31, 2012, Respondent failed to take a scheduled fluid test.
- 12 B. On or about February 6, 2012, Respondent failed to take a scheduled fluid test.
- 13 C. On or about March 4, 2012, Respondent failed to take a scheduled fluid test.

14 24. Respondent's failure to take the scheduled biological fluid tests constitutes a violation
15 of probation under Condition 4 of the Board's Decision and cause exists to impose the stayed
16 disciplinary order of revocation.

17 PRAYER

18 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
19 and that following the hearing, the Medical Board of California issue a decision:

20 1. Revoking the probation that was granted by the Medical Board of California in Case
21 No. 12-2001-121096 and imposing the disciplinary order that was stayed, thereby revoking
22 Physician and Surgeon's Certificate Number G35111, issued to Peter Anthony Beoris, M.D.

23 2. Revoking, suspending or denying approval of Peter Anthony Beoris, M.D.'s authority
24 to supervise physician's assistants, pursuant to section 3527 of the Code;
