RE: F & M Radiology Medical Center

Dear Sir:

This office represents the interest of the above.

This matter was set for lien hearing/consolidation this AM with Honorable Judge Marrone.

It was our understanding that this hearing was related to the enclosed letter Dated 07/05/2023 from F & M. As it turns out this was not the case and F & M's request for hearing has yet to be scheduled.

At this time, please consider this writing as a second request for hearing on the LC 139.21(a)(1)

Should you have any questions, please contact me at your earliest convenience.

Very truly yours,

EQUITABLE LAW FIRM, APLC

Shahpoor Asher
