STATE OF CALIFORNIA

In the Matter of the Accusation Against:  
Sujan Thyagaraj, M.D.  
26 N. Sky Loop  
Roswell, NM 88201-8305  
Physician's and Surgeon's Certificate  
No. A136601,  
Respondent.

Case No. 800-2016-021416

ACCUSATION

Complainant alleges:

PARTIES

1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs (Board).
2. On or about June 1, 2015, the Medical Board issued Physician's and Surgeon's Certificate Number A136601 to Sujan Thyagaraj, M.D. (Respondent). The Physician's and Surgeon's Certificate is renewed and current with an expiration date of June 30, 2017. However, on or about April 25, 2016, the Board suspended Respondent's license pursuant to Business and Professions Code Section 2310.

JURISDICTION

1  
2       3.    This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4       4.    Section 2227 of the Code provides in part that a licensee who is found guilty under  
5 the Medical Practice Act may have his or her license revoked, suspended for a period not to  
6 exceed one year, placed on probation and required to pay the costs of probation monitoring, or  
7 such other action taken in relation to discipline as the Board deems proper.

8       5.    Section 2305 of the Code states:

9       "The revocation, suspension, or other discipline, restriction or limitation imposed by  
10 another state upon a license or certificate to practice medicine issued by that state, or the  
11 revocation, suspension, or restriction of the authority to practice medicine by any agency of the  
12 federal government, that would have been grounds for discipline in California of a licensee under  
13 this chapter [Chapter 5, the Medical Practice Act] shall constitute grounds for disciplinary action  
14 for unprofessional conduct against the licensee in this state."

15       6.    Section 141 of the Code states:

16       "(a) For any licensee holding a license issued by a board under the jurisdiction of the  
17 department, a disciplinary action taken by another state, by any agency of the federal government,  
18 or by another country for any act substantially related to the practice regulated by the California  
19 license, may be a ground for disciplinary action by the respective state licensing board. A  
20 certified copy of the record of the disciplinary action taken against the licensee by another state,  
21 an agency of the federal government, or another country shall be conclusive evidence of the  
22 events related therein.

23       "(b) Nothing in this section shall preclude a board from applying a specific statutory  
24 provision in the licensing act administered by that board that provides for discipline based upon a  
25 disciplinary action taken against the licensee by another state, an agency of the federal  
26 government, or another country."

1 CAUSE FOR DISCIPLINE

2 (Discipline, Restriction, or Limitation Imposed by Another State)

3 7. On or about March 25, 2016, the New Mexico Medical Board issued a "Notice of  
4 Summary Suspension" (New Mexico Order). The New Mexico Order summarily suspends  
5 Respondent's New Mexico license to practice medicine because evidence indicates that Dr. Sujan  
6 Thyagaraj poses a clear and immediate danger to the public. The summary suspension is based  
7 on evidence that shows that on or about February 22, 2016 during a visit with a female patient,  
8 Respondent sexually assaulted the patient by placing his genitals in the patient's mouth, and by  
9 placing the patient's hands on his genitals. After the patient reported the incident to police, law  
10 enforcement agents executed a search warrant at the office where the sexual assault on patient  
11 was alleged to have occurred and found evidence corroborating patient's allegations. When law  
12 enforcement agents attempted to serve a warrant for Respondent's DNA on or about February 23,  
13 2016, they learned that Respondent had fled the country.

14 8. On or about, February 24, 2016, a criminal complaint was filed against Respondent in  
15 Chavez County Magistrate Court Case No. M-7-FR-2016-00074 alleging one (1) count of  
16 violating Section 30-9-11, NMSA, 1978 (Criminal Sexual Penetration).

17 9. Respondent's conduct and the actions of the New Mexico Medical Board as set forth  
18 in paragraph 7, above, and within the actual New Mexico Board's documents, attached as Exhibit  
19 A, constitute unprofessional conduct and cause for discipline pursuant to sections 2305 and/or  
20 141 of the Code.

21  
22 PRAYER

23 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
24 and that following the hearing, the Medical Board of California issue a decision:

25 1. Revoking or suspending Physician's and Surgeon's Certificate Number A136601,  
26 issued to Sujan Thyagaraj, M.D.;

27 2. Revoking, suspending or denying approval of Sujan Thyagaraj, M.D.'s authority to  
28 supervise physician assistants, pursuant to section 3527 of the Code;

1           3.    Ordering Sujan Thyagaraj, M.D., if placed on probation, to pay the Board the costs of  
2 probation monitoring; and

3           4.    Taking such other and further action as deemed necessary and proper.

The New Mexico Medical Board ("Board") possesses evidence indicating that you pose a clear and immediate danger to the public health and safety if you continue to practice medicine. Such evidence, if not rebutted at a later hearing, will justify the Board in imposing further suspension or revocation of your license to practice medicine in the State of New Mexico and/or other disciplinary action taken against you by the Board. This summary suspension is based on evidence that shows:

A. On or about February 22, 2016, during a visit with a female patient (hereinafter referred to as "Patient"), you sexually assaulted Patient by placing your genitals in Patient's mouth, and by placing Patient's hands on your genitals.

B. After Patient reported the incident to police, law enforcement agents executing a search warrant at the office where the sexual assault on Patient was alleged to have occurred found evidence corroborating Patient's allegations.

C. When law enforcement agents attempted to serve a warrant for your DNA on or about February 23, 2016 they learned that you'd fled the country.

D. On February 24, 2016, a criminal complaint was filed against you in Chavez County Magistrate Court Case No. M-7-FR-2016-00074 alleging one (1) count of violating Section 30-9-11, NMSA 1978 (Criminal Sexual Penetration).

E. On March 2, 2016, the Board's investigative staff emailed you a copy of a Board Complaint based on the above information, together with a letter asking you to provide a written response to the allegations. As of this date, you have not responded to the allegations as requested by the Board's investigators, and you have not formally notified the Board of the actions taken by the law enforcement agency which filed criminal charges against you.

In consideration of the aforementioned evidence in the Board's possession, the Board FINDS AND CONCLUDES that you pose a clear and immediate danger to the public health and safety if you continue to practice medicine in the State of New Mexico.

THEREFORE, IT IS HEREBY ORDERED that your New Mexico license to practice as a physician in the State of New Mexico is hereby SUMMARILY SUSPENDED until further Order of the Board.

Pursuant to Board Rule 16.10.5.16 NMAC, you are entitled to a hearing on the merits of this summary suspension order within fifteen (15) days of a request for such a hearing. you have actual knowledge of this order, whichever comes first.

Pursuant to NMSA, 1978, Section 61-1-8 you have the right to be represented at a hearing on this summary suspension order by counsel or by a licensed member of your profession or both, and to present all relevant evidence by means of witnesses, books, papers, documents and other evidence; to examine all opposing witnesses who may appear on any matter relevant to the issues and have subpoenas duces tecum issued as of right prior to the commencement of the hearing, to compel the attendance of witnesses and the production of relevant books, papers, documents and other evidence upon making a written request therefore to the Board. The issuance of such subpoenas after commencement of the hearing rests with the discretion of the Board or Hearing Officer.

The issuance of this Summary Suspension is a disciplinary event and will be reported to the National Practitioner Data Bank and is a public document, open to public inspection.

1 IV.

2 The allegations of the Accusation are true as follows:

3 On or about March 25, 2016, the New Mexico Medical Board issued a "Notice of Summary

8 sexually assaulted the patient by placing his genitals in the patient's mouth, and by placing the  
9 patient's hands on his genitals. After the patient reported the incident to police, law enforcement  
10 agents executed a search warrant at the office where the sexual assault on the patient was alleged  
11 to have occurred and found evidence corroborating patient's allegations. When law enforcement
