1. APPLICABILITY OF ORDER

This order shall apply to all persons employed in the on-site occupations of construction, including but not limited to work involving alteration, demolition, building, excavating, renovation, remodeling, maintenance, improvement, and repair work, and work for which a contractor’s license is required by the California Business and Professions Code, Division 3, Chapter 9, Sections 7025 et seq.; drilling, including but not limited to all work required to drill, establish, repair, and rework wells for the exploration or extraction of oil, gas, or water resources; logging work for which a timber operator's license is required pursuant to California Public Resources Code Sections 4571 through 4586; and mining (not covered by Labor Code Section 750 et seq.), including all work required to mine and/or establish pits, quarries, and surface or underground mines for the purposes of exploration or extraction of nonmetallic minerals and ores, coal, and building materials such as stone and gravel, whether paid on a time, piece rate, commission, or other basis, except that:

(A) The provisions of Sections 3 through 11 shall not apply to persons employed in administrative, executive, or professional capacities. No person shall be considered to be employed in an administrative, executive, or professional capacity unless the person is primarily engaged in the duties which meet the test of the exemption, and earns a monthly salary equivalent to not less than (2) two times the state minimum wage for full-time employment. The duties that meet the test of the exemption are one of the following set of conditions:

(1) The employee is engaged in work which is primarily intellectual, managerial, or creative, and which requires exercise of discretion and independent judgment; or

(2) The employee is licensed or certified by the State of California, and is engaged in the practice of one of the following recognized professions: law, medicine, dentistry, optometry, architecture, engineering, teaching, or accounting, or the employee is engaged in an occupation that is commonly recognized as a learned or artistic profession; provided, however, that pharmacists employed to engage in the practice of pharmacy, and registered nurses employed to engage in the practice of nursing, shall not be considered exempt professional employees, nor shall they be considered exempt from coverage for the purposes of this section unless they individually meet the criteria established for exemption as executive or administrative employees.

(B) Except as provided in Sections 1, Applicability; 2, Definitions; 4, Minimum Wages; 9, Meals and Lodging; and 18, Penalties, the provisions of this order shall not apply to any employees directly employed by the State or any political subdivision thereof, including any city, county, or special district.

(C) The provisions of this order shall not apply to outside salespersons.

(D) The provisions of this order shall not apply to any individual who is the parent, spouse, child, or legally adopted child of the employer.

(E) The provisions of this order shall not apply to any individual participating in a national service program, such as AmeriCorps, carried out using assistance provided under Section 12571 of Title 42 of the United States Code. (See Stats. 2000, ch. 365, amending Labor Code Section 1171.)
2. DEFINITIONS

(A) “Alternative workweek schedule” means any regularly scheduled workweek proposed by an employer who has control over the wages, hours, and working conditions of the employees, and ratified by an employee work unit in a neutral secret ballot election, that requires an employee to work more than eight (8) hours in a 24-hour period.

(B) “Commission” means the Industrial Welfare Commission of the State of California.

(C) “Construction occupations” mean all job classifications associated with construction, including but not limited to work involving alteration, demolition, building, excavation, renovation, remodeling, maintenance, improvement, and repair work, by the California Business and Professions Code, Division 3, Chapter 9, Sections 7025 et seq., and any other similar or related occupations or trades.

(F) “Emergency” means an unpredictable or unavoidable occurrence at unscheduled intervals requiring immediate action.

(G) “Employ” means to engage, suffer, or permit to work.

(H) “Employee” means any person employed by an employer.

(I) “Employer” means any person as defined in Section 18 of the Labor Code, who directly or indirectly, or through an agent or any other person, employs or exercises control over the wages, hours, or working conditions of any person.

(J) “Hours worked” means the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so.

(K) “Logging occupations” mean any work for which a timber operator’s license is required pursuant to California Public Resources Code Sections 4571-4586, including the cutting or removal or both of timber or other solid wood forest products, including Christmas trees, from timberlands for commercial purposes, together with all the work that is incidental thereto, including but not limited to construction and maintenance of roads, fuel breaks, fire breaks, stream crossings, landings, skid trails, beds for the falling of trees, and fire hazard abatement.

(L) “Mining occupations” mean miners and other associated and related occupations (not covered by Labor Code Sections 750 et seq.) required to engage in excavation or operations above or below ground including work in mines, quarries, or open pits, used for the purposes of exploration or extraction of nonmetallic minerals and ores, coal, and building materials such as stone, gravel, and rock, or other materials intended for manufacture or sale, whether paid on a time, piece rate, commission, or other basis.

(N) “Outside salesperson” means any person, 18 years of age or over, who customarily and regularly works more than half the working time away from the employer’s place of business selling tangible or intangible items or obtaining orders or contracts for products, services or use of facilities. An “outside salesperson” does not include an employee who makes deliveries or service calls for the purpose of installing, replacing, repairing, removing, or servicing a product.

(O) “Primarily” means more than one-half the employee’s work time.

(P) “Regularly scheduled workweek” means a schedule where the length of the shift and the number of days of work are predesignated pursuant to an alternative workweek schedule.

(Q) “Split shift” means a work schedule, which is interrupted by non-paid non-working periods established by the employer, other than bona fide rest or meal periods.

hours per week. The other provisions of this section, including those governing elections, shall apply to these occupations.

(3) Prior to the secret ballot vote, any employer who proposes to institute an alternative workweek schedule shall make a disclosure in writing to the affected employees, including the effects of the proposed arrangement on the employees’ wages, hours, and benefits. Such a disclosure shall include meeting(s), duly noticed, held at least 14 days prior to voting, for the specific purpose of discussing the effects of the alternative workweek schedule. An employer shall provide the disclosure in a non-English language, as well as in English, if at least five (5) percent of the affected employees primarily speak that non-English language. Notices shall be mailed to the last known address of all employees in the work unit in accordance with provision (2) above. Failure to comply with this paragraph shall make the election null and void.

(4) Any election to establish or repeal an alternative workweek schedule shall be held during regular working hours at the work site of the affected employees. The employer shall bear the costs of conducting any election held pursuant to this section. Upon a complaint by an affected employee, and after an investigation by the labor commissioner, the labor commissioner may require the employer to select a neutral third party to conduct the election.

(5) Any type of alternative workweek schedule that is authorized by the Labor Code may be repealed by the affected employees. Upon a petition of one-third (1/3) of the affected employees, a new secret ballot election shall be held, provided six (6) months have passed since the election authorizing the alternative workweek. A two-thirds (2/3) vote of the affected employees
shall be required to reverse the alternative workweek schedule. The election to repeal the alternative workweek schedule shall be held not more than 30 days after the petition is submitted to the employer.

6. If the number of employees who are employed for at least 30 days in the work unit that adopted an alternative workweek schedule increases by 50 percent above the number who voted to ratify the employer-proposed alternative workweek schedule, the employer must conduct a new ratification election pursuant to the rules contained in subsection (C).

7. The results of any election conducted pursuant to this order shall be a public document and shall be reported by the employer to the Office of Policy, Research and Legislation within 30 days after the results are final. The report of the election results shall also be posted at the job site in an area frequented by employees where it may easily be read during the workday. The report shall include the final tally of the vote, the size of the unit, and the nature of the business of the employer. Employees participating in the election shall be free from intimidation and coercion. However, nothing in this section shall prohibit an employer from expressing its position concerning that alternative workweek to the affected employees. No employees shall be discharged or discriminated against for expressing opinions concerning the alternative workweek election or for opposing or supporting its adoption or repeal. The labor commissioner shall investigate any alleged violation of this section and shall upon finding a serious violation render the alternative workweek schedule null and void.

(D) Combination of Overtime Rates. Nothing in this section requires an employer to combine more than one rate of overtime compensation in order to calculate the amount to be paid to an employee for any hour of overtime work.

(E) Nondiscrimination. No employee shall be terminated, disciplined or otherwise discriminated against for refusing to work more than 72 hours in any workweek, except in an emergency as defined in Section 2 (F) above.

(F) Makeup Time. If an employer approves a written request of an employee to make up work time that is or would be lost as a result of a personal obligation of the employee, the hours of that makeup work time, if performed in the same workweek in which the work time was lost, may not be counted toward computing the total number of hours worked in a day for purposes of the overtime requirements, except for hours in excess of 11 hours of work in one (1) day or 40 hours of work in one (1) workweek. If an employee knows in advance that he/she will be requesting makeup time for a personal obligation that will recur at a fixed time over a succession of weeks, the employee may request to make up work time for up to four (4) weeks in advance; provided, however, that the makeup work must be performed in the same week that the work time was lost. An employee shall provide a signed written request for each occasion that the employee makes a request to make up work time pursuant to this subsection. While an employer may inform an employee of this makeup time option, the employer is prohibited from encouraging or otherwise soliciting an employee to request the employer's approval to take personal time off and make up the work hours within the same workweek pursuant to this subsection. (See Labor Code Section 513.)

(G) One Day's Rest in Seven. The provisions of Labor Code Sections 551 and 552 regarding one (1) day's rest in seven (7) shall not be construed to prevent an accumulation of days of rest when the nature of the employment reasonably requires the employee to work seven (7) or more consecutive days; provided, however, that in each calendar month, the employee shall receive the equivalent of one (1) day's rest in seven (7).

(H) Collective Bargaining Agreements

1. Subsections (A), (B), (C), (D), and (E) of Section 3, Hours and Days of Work, shall not apply to any employee covered by a valid collective bargaining agreement if the agreement expressly provides for the wages, hours of work, and working conditions of the employees, and if the agreement provides premium wage rates for all overtime hours worked and a regular hourly rate of pay for those employees of not less than 30 percent more than the state minimum wage. (See Labor Code Section 514).

2. Subsection (F) of Section 3, Hours and Days of Work, shall apply to any employee covered by a valid collective bargaining agreement unless the collective bargaining agreement expressly provides otherwise.

4. MINIMUM WAGES

(A) Every employer shall pay to each employee wages not less than the following:

1. Any employer who employs 26 or more employees shall pay to each employee wages not less than the following:

   (a) Ten dollars and fifty cents ($10.50) per hour for all hours worked, effective January 1, 2017; and
   (b) Eleven dollars ($11.00) per hour for all hours worked, effective January 1, 2018;

2. Any employer who employs 25 or fewer employees shall pay to each employee wages not less than the following:

   (a) Ten dollars ($10.00) per hour for all hours worked, effective January 1, 2016 through December 31, 2017; and
   (b) Ten dollars and fifty cents ($10.50) per hour for all hours worked, effective January 1, 2018.

Employees treated as employed by a single qualified taxpayer pursuant to Revenue and Taxation Code section 23626 are treated as employees of that single taxpayer.

5. REPORTING TIME PAY

(A) All employer-mandated travel that occurs after the first location where the employee's presence is required by the employer shall be compensated at the employee's regular rate of pay or, if applicable, the premium rate that may be required by the provisions of Labor Code Section 510 and Section 3, Hours and Days of Work, above.

(B) Each workday that an employee is required to report to the work site and does report, but is not put to work or is furnished less than half of his/her usual or scheduled day's work, the employer shall pay him/her for half the usual or scheduled day's work, but in no event for less than two (2) hours nor more than four (4) hours at the employee's regular rate of pay, which shall not be less than the minimum wage.

(C) The foregoing reporting time pay provisions are not applicable when:

1. Operations cannot commence or continue due to threats to employees or property; or when recommended by civil authorities; or
2. Public utilities fail to supply electricity, water, or gas, or there is a failure in the public utilities, or sewer system; or
3. The interruption of work is caused by an Act of God or other cause not within the employer's control.

(D) Collective Bargaining Agreements. This section shall apply to any employees covered by a valid collective bargaining agreement unless the collective bargaining agreement expressly provides otherwise.
6. RECORDS
(A) Every employer who has control over wages, hours, or working conditions shall keep accurate information with respect to each employee, including the following:

1. The employee's full name, home address, occupation, and social security number. The employee's date of birth, if under 18 years of age, and designation as a minor. Time records showing when the employee begins and ends each work period. Meal periods, split shift intervals, and total daily hours worked shall also be recorded. Meal periods during which operations cease and authorized rest periods need not be recorded.

2. Total wages paid each payroll period, including value of board, lodging, or other compensation actually furnished to the employee.

3. Total hours worked during the payroll period and applicable rates of pay. This information shall be made readily available to the employee upon reasonable request. When a piece rate or incentive plan is in operation, piece rates or an explanation of the incentive plan formula shall be provided to employees. An accurate production record shall be maintained by the employer.

(B) Every employer who has control over wages, hours, or working conditions shall semimonthly or at the time of each payment of wages furnish each employee an itemized statement in writing showing: (1) all deductions; (2) the inclusive dates of the period for which the employee is paid; (3) the name of the employee or the employee's social security number; and (4) the name of the employer, provided all deductions made on written orders of the employee may be aggregated and shown as one item. (See Labor Code Section 226.) This information shall be furnished either separately or as a detachable part of the check, draft, or voucher paying the employee's wages.

(C) All required records shall be in the English language and in ink or other indelible form, dated properly, showing month, day and year. The employer who has control over wages, hours, or working conditions shall also keep said records on file at the place of employment or at a central location for at least three years. An employee's records shall be available for inspection by the employee upon reasonable request.

(D) Employers performing work on public works projects should refer to Labor Code Section 1776 for additional payroll reporting requirements.

7. DEDUCTIONS FROM PAY
No employer shall collect or deduct from any employee any part of the wages that are paid unless such deductions are allowed by law. (See Labor Code Sections 220-226.) No fee shall be charged by the employer or agent of the employer for cashing a payroll check.

8. UNIFORMS AND EQUIPMENT
(A) When the employer requires uniforms to be worn by the employee as a condition of employment, such uniforms shall be provided and maintained by the employer. The term "uniform" includes wearing apparel and accessories of distinctive design or color.

(B) When the employer requires the use of tools or equipment or they are necessary for the performance of a job, such tools and equipment shall be provided and maintained by the employer, except that an employee whose wages are at least two (2) times the minimum wage may provide and maintain hand tools and equipment customarily required by the particular trade or craft in conformity with Labor Code Section 2802.

9. MEALS AND LODGING
(A) "Meal" means an adequate, well-balanced serving of a variety of wholesome, nutritious foods.

(B) "Lodging" means living accommodations available to the employee for full-time occupancy which are adequate, decent, and sanitary according to usual and customary standards. Employees shall not be required to share a bed.

(C) Meals or lodging may not be credited against the minimum wage without a voluntary written agreement between the employer and the employee. When credit for meals or lodging is used to meet part of the employer's minimum wage obligation, the amounts so credited may not be more than the following:

(D) Meals evaluated as part of the minimum wage must be bona fide meals consistent with the employee’s work shift. Deductions shall not be made for meals not received or lodging not used.

(E) If, as a condition of employment, the employee must live at the place of employment or occupy quarters owned or under the control of the employer, then the employer may not charge rent in excess of the values listed herein.

10. MEAL PERIODS

(A) No employer shall employ any person for a work period of more than five (5) hours without a meal period of not less than 30 minutes, except that when a work period of not more than six (6) hours will complete the day’s work the meal period may be waived by mutual consent of employer and employee. (See Labor Code Section 512.)

(B) An employer may not employ an employee for a work period of more than ten (10) hours per day without providing the employee with a second meal period of not less than 30 minutes, except that if the total hours worked is no more than 12 hours, the second meal period may be waived by mutual consent of employer and employee only if the first meal period was not waived. (See Labor Code Section 512.)

(C) In all places of employment the employer shall provide an adequate supply of potable water, soap, or other suitable cleansing agent and single use towels for hand washing.

(D) Unless the employee is relieved of all duty during a 30 minute meal period, the meal period shall be considered an “on duty” meal period and counted as time worked. An “on duty” meal period shall be permitted only when the nature of the work prevents employee from being relieved of all duty and when by written agreement between the parties an on-the-job paid meal period is agreed to and complies with Labor Code Section 512.

(E) Collective Bargaining Agreements. Subsections (A), (B), and (D) of Section 10, Meal Periods, shall not apply to any employee covered by a valid collective bargaining agreement if the agreement expressly provides for the wages, hours of work, and working conditions of the employees, and if the agreement provides premium wage rates for all overtime hours worked and a regular hourly rate of pay for those employees of not less than 30 percent more than the state minimum wage.

(F) If an employer fails to provide an employee a meal period in accordance with the applicable provisions of this order, the employer shall pay the employee one (1) hour of pay at the employee’s regular rate of compensation for each workday that the meal period is not provided. In cases where a valid collective bargaining agreement provides final and binding mechanism for resolving disputes regarding enforcement of the meal period provisions, the collective bargaining agreement will prevail.

11. REST PERIODS

(A) Every employer shall authorize and permit all employees to take rest periods, which insofar as practicable shall be in the middle of each work period. Nothing in this provision shall prevent an employer from staggering rest periods to avoid interruption in the flow of work and to maintain continuous operations, or from scheduling rest periods to coincide with breaks in the flow of work that occur in the course of the workday. The authorized rest period time shall be based on the total hours worked daily at the rate of ten (10) minutes net rest time for every four (4) hours worked, or major fraction thereof. Rest periods shall take place at employer designated areas, which may include or be limited to the employees’ immediate work area.

(B) Rest periods need not be authorized in limited circumstances when the disruption of continuous operations would jeopardize the product or process of the work. However, the employer shall make up the missed rest period within the same workday or compensate the employee for the missed ten (10) minutes of rest time at his/her regular rate of pay within the same pay period.

(C) A rest period need not be authorized for employees whose total daily work time is less than three and one-half (3½) hours. Authorized rest period time shall be counted as hours worked for which there shall be no deduction from wages.

(D) If an employer fails to provide an employee a rest period in accordance with the applicable provisions of this order, the employer shall pay the employee one (1) hour of pay at the employee’s regular rate of compensation for each workday that the rest period is not provided. In cases where a valid collective bargaining agreement provides final and binding mechanism for resolving disputes regarding enforcement of the rest period provisions, the collective bargaining agreement will prevail.

(E) This section shall not apply to any employee covered by a valid collective bargaining agreement if the collective bargaining agreement provides equivalent protection.

12. SEATS

Where practicable and consistent with applicable industry-wide standards, all working employees shall be provided with suitable seats when the nature of the process and the work performed reasonably permits the use of seats. This section shall not exceed regulations promulgated by the Occupational Safety and Health Standards Board.

13. TEMPERATURE

The temperature maintained in each interior work area shall provide reasonable comfort consistent with industry-wide standards for the nature of the process and the work performed. This section shall not exceed regulations promulgated by the Occupational Safety and Health Standards Board.

14. ELEVATORS

Where practicable and consistent with applicable industry-wide standards, adequate elevators, escalators, or similar service consistent with industry-wide standards for the nature of the process and the work performed, shall be provided when employees
15. EXEMPTIONS

If, in the opinion of the Division after due investigation, it is found that the enforcement of any provision contained in Section 6, Records; Section 11, Rest Periods; Section 12, Seats; Section 13, Temperature; or Section 14, Elevators, would not materially affect the welfare or comfort of employees and would work an undue hardship on the employer, exemption may be made at the discretion of the Division. Such exemptions shall be in writing to be effective and may be revoked after reasonable notice is given in writing. Application for exemption shall be made by the employer or by the employee and/or the employee’s representative to the Division in writing. A copy of the application shall be posted at the place of employment at the time the application is filed with the Division.

In addition, violation of any provision of this order shall be subject to a civil penalty as follows:

1. Initial Violation - $50.00 for each underpaid employee for each pay period during which the employee was underpaid in addition to the amount which is sufficient to recover unpaid wages.

(In addition, see California Labor Code, Section 1199)

19. SEPARABILITY

If the application of any provision of this order, or any section, subsection, subdivision, sentence, clause, phase, word, or portion of this order should be held invalid or unconstitutional or unauthorized or prohibited by statute, the remaining provisions thereof shall not be affected thereby, but shall continue to be given full force and effect as if the part is held to be invalid or unconstitutional had not been included herein.

20. POSTING OF ORDER
