**IMPORTANT NOTICE TO AWARDING BODIES  
AND OTHER INTERESTED PARTIES  
REGARDING THE GENERAL PREVAILING WAGE DETERMINATIONS**

The following collective bargaining agreement has been rescinded by the signatory parties: ***Boilermaker Pipeline/Commercial Agreement between Boilermaker Employers and the International Brotherhood of Boilermakers.***

This collective bargaining agreement had been filed as the basis for recognizing this craft, classification or type of worker as prevailing. Given the rescission by the original signatory parties to the agreement in our files, there is no longer a basis for recognizing the craft of Boilermaker (For Pipelines) as a prevailing classification. Therefore, Determination S C-14-X-9-2011-1 (pg. 12-A) will no longer be in effect as of March 4, 2013.

Determination SC-14-X-9-2011-1 may continue to be used on public works projects advertised for bids on or after March 4, 2011 through March 3, 2013.
