The footnotes next to “**CRAFT: #OPERATING ENGINEER (BUILDING CONSTRUCTION),**” “**CRAFT: #PILE DRIVER (OPERATING ENGINEER-BUILDING CONSTRUCTION),**” and “**CRAFT: #STEEL ERECTOR AND FABRICATOR (OPERATING ENGINEER-BUILDING CONSTRUCTION)**” were inadvertently omitted from the above referenced general prevailing wage determinations.

The footnote for each of the above referenced crafts and determinations should state the following:

For total base bid project value of less than \$3,000,000 only. The Operating Engineer (Heavy and Highway Work) determination is applicable for all work \$3,000,000 and above. Where there is a published or advertised estimate of the construction costs of a project, such estimate shall determine the total base bid project value, for the purposes of the three million dollars (\$3,000,000) threshold.

With the exception of the above correction, all of the wage rates and other conditions found in the above referenced prevailing wage determinations remain unchanged.
